**The Bomb Doctor** Kirk Yeager,Selene Yeager,2024-05-21 A rare peek behind the curtain into boots on the ground in the lab scientific bomb forensics told with humanity heart and even a bit of humor This is not CSI What you encounter as a true bomb detective or Bomb Doctor as some in the FBI call me are fields of twisted metal containing soot covered fragments intermingled with human remains You have carnage and chaos As you wade into that sea of wailing sirens and screaming survivors awash with the stench of diesel fuel and decaying bodies your job is to ferret out forensic clues in a type of macabre scavenger hunt to ultimately reconstruct the scene and the explosive device and determine what happened and what the bomb looked like before it was torn asunder None of this happens overnight Nor does it happen in a timeframe that can be neatly packaged in an hour long made for TV drama The scavenger hunt can take months or in the case of the infamous Collar Bomber seven painstaking years The work is worth every second and every horrific image that etches itself into your brain because it helps prevent new horrors Not all obviously We are not superheroes But unlike shooters who often just snap or seem to act out in random ways bombers almost always have a story one that follows an arc In The Bomb Doctor my goal is to explain that arc explode myths reconstruct reality and build an understanding of the reason and means behind the mayhem as well as pull back the curtain on the investigative process that brings bombers to justice

**Dr. Widow** Zarina Garrison,2020-01-07 This is not one of your standard meditate through the pain self help books This is the story of a real womans journey through two very difficult situations surviving the loss of a spouse and still managing to complete her PhD Each one of these paths individually is challenging but to walk them simultaneously is harrowing Read a book that describes the circumstances leading to a relatively happy 30 something married mom becoming a single mom student and widow See her evolution from dazed mourner to accomplished scholar and enjoy the quirky humor poetry and stories she shares along the way This book will not provide you with the one answer to deal with grief but it will reassure you that there are many things you can try on your own journey
