L. Murnahan, Jr.**, 2010-03-12 Listening to his voice and having him sitting across from me I fought the urge to rush to him and into his lap to smother him with kisses and to tell him how much I loved and wanted to be with him Why was I being such a chicken His eyes were saying everything and it was more than I could possibly have hoped or ever dreamed for I didn't care about the wife just as I didn't care about Terry I wanted to be with Tom and Bonnie already knowing the kids would feel the same way All I had to do was say something anything Why wasn't Tom saying anything I could see it in his eyes how he felt about me Was he scared of offending me or afraid I'd react badly Did he think it better just to let things remain as they were The questions kept popping into my mind and I was going crazy trying to find a way to let him know exactly what I felt Tom gently moved forward on the couch looking me straight in the eyes his eyes showing so much love and perhaps even hope I did see you that day in Coal Grove Precious Moments by Enesco Collectors Publishing Co, Joe T. Nguyen, David TenEyck, Scott Sierakowski, Lance Doyle, 1997 **Precious Moments My First Book of Prayers** Regina Press, Malhame & Company, 1996-10 General prayers are combined with traditional Catholic Prayers to enhance a child's awareness of important Prayers Padded gift edition boxed *Meditations for the Use of the Secular Clergy* Pierre Chaignon, 1907 *Precious Moments Last Forever* Laura C. Martin, 1994 Documenting the phenomenon that spans continents and generations a volume featuring hundreds of illustrations of the collection its creators and collectors highlights the history of Precious Moments and reveals how collectors unite in a spirit of loving caring and sharing **Divine Fury** Darrin M. McMahon, 2013-10-22 Genius With hints of madness and mystery moral license and visionary force the word suggests an almost otherworldly power the power to create to divine the secrets of the universe even to destroy Yet the notion of genius has been diluted in recent times Today rock stars football coaches and entrepreneurs are labeled geniuses and the word is applied so widely that it has obscured the sense of special election and superhuman authority that long accompanied it As

acclaimed historian Darrin M McMahon explains the concept of genius has roots in antiquity when men of prodigious insight were thought to possess or to be possessed by demons and gods Adapted in the centuries that followed and applied to a variety of religious figures including prophets apostles sorcerers and saints abiding notions of transcendent human power were invoked at the time of the Renaissance to explain the miraculous creativity of men like Leonardo and Michelangelo Yet it was only in the eighteenth century that the genius was truly born idolized as a new model of the highest human type Assuming prominence in figures as varied as Newton and Napoleon the modern genius emerged in tension with a growing belief in human equality Contesting the notion that all are created equal geniuses served to dramatize the exception of extraordinary individuals not governed by ordinary laws The phenomenon of genius drew scientific scrutiny and extensive public commentary into the 20th century but it also drew religious and political longings that could be abused In the genius cult of the Nazis and the outpouring of reverence for the redemptive figure of Einstein genius achieved both its apotheosis and its Armageddon The first comprehensive history of this elusive concept Divine Fury follows the fortunes of genius and geniuses through the ages down to the present day showing how despite its many permutations and recent democratization genius remains a potent force in our lives reflecting modern needs hopes and fears

Inspiration Pamela CJ Mesher-Penney, 2014-07-15 Inspired and motivated by love this author s poetry certainly shows the romantic nature of love shared between husband and wife the loneliness and support for a husband who works on the sea as a fisherman a job that keeps him away quite often Although it is trying at times the empty feelings of being alone is shown in the authors words as a love letter to her husband letting him know that no matter how far apart they are or for however long he is away for that she will be waiting for him always with more love to show and give because in their hearts they truly

believe that the absence makes their love stronger and in their case it seems to work This book consists of various poems the author shows a part of herself in each poem From writing about her husband children family and friendships to writing about the loss of loved ones the author seems to paint a vivid picture within her poetry about her surroundings of the place she lives in a place named Labrador You can almost picture it in your mind as you read them From details of feeling the moisture of an ocean mist on your face to feeling the breezes of a summer s wind gently breathing on your skin it makes you wish to be at the very place the author speaks of Speaking from her heart this author certainly shows the beauty and love within her poetry

The Voices of Gemma Galgani Rudolph M. Bell,Cristina Mazzoni,2003-01-15 A biography of the first saint who lived in the 20th century this book is a portrait of a complex girl woman caught between the medieval and the modern and a potent reminder of spirituality in a supposedly secular age
