My Gun Is Quickspillane Mickey:

My Gun Is Quick Mickey Spillane,1950-06-01 The second novel in Mickey Spillane's classic detective series starring hard-boiled private eye Mike Hammer. When a red-headed prostitute is killed in a hit-and-run accident, Mike Hammer hunts down her killers and uncovers a powerful New York prostitution ring.

My Gun Is Quick Mickey Spillane,1950 **My Gun Is Quick** Mickey Spillane,1969-07-01 *Mickey Spillane on Screen* Max Allan Collins,James L. Traylor,2018-01-12 In the mid-20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself. The level of sex and violence in his Mike Hammer thrillers, starting with *I the Jury* in 1947, broke down long-held taboos and engendered a near-hysterical critical backlash. Nonetheless, Spillane's influence has been felt: reflections of Hammer are visible in nearly every subsequent tough-guy of fiction and film, including James Bond, Dirty Harry, Shaft, Billy Jack, and Jack Bauer. Spillane's fiction came to the screen in a series of films that include *Kiss Me Deadly* (1955) and *The Girl Hunters* (1963), with the author himself playing his private eye. These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively, knowledgeable fashion by Spillane experts. Included are cast and crew listings, brief biographical entries on key persons, and a lengthy interview with Spillane.

A Mickey Spillane Companion Robert L. Gale,2003-05-30 At one time Mickey Spillane had authored seven of the top ten bestsellers in history and may have been the most widely read author in the world. Spillane's masterful storytelling grabs his readers with his first paragraph and leads them spellbound toward his climax. Along with Dashiell Hammett, Raymond Chandler, and Ross Macdonald, he remains one of America's greatest mystery writers. This book is a convenient guide to his works. An opening chronology lists the chief events in his life and career. The bulk of the volume presents several hundred alphabetically arranged entries on his writings. Lengthier entries summarize the plots of his works, including *I the Jury*, *My Gun Is Quick*, *Vengeance Is Mine*, and *The Long Wait*. Shorter entries identify his numerous characters, including his particularly memorable detective, Mike Hammer. Select entries list works for further reading, and the volume concludes with a brief bibliography.

The Politics and Poetics of Translation in Turkey, 1923-1960 Şehnaz Tahir Gürçağlar,2008 The present book is a bold attempt at revealing the complex and diversified nature of the field of translated literature in Turkey during a period of radical socio political change On the broad level it investigates the implications of the political transformation experienced in Turkey after the proclamation of the Republic for the cultural and literary fields including the field of translated literature On a more specific level it holds translation under focus and explores the discourse formed on translation and translators while it also traces the norms not observed by translators throughout the 1920s 1950s in two case studies The findings of the study suggest that the concepts of translation both affected and were affected by cultural processes in the society including ideological and poetological ones and that there was no uniform way of defining or carrying out translations during the period under study The findings also point at the segmentation of readership in early republican Turkey and conclude that the political and poetological factors governing the production and reception of translations varied for different segments of readers *Encyclopedia of American Literature* Manly, Inc.,2013-06
