

A romantic couple is shown in a snowy forest. The man, wearing a light grey turtleneck sweater, is leaning in to kiss the woman on the forehead. The woman, with long blonde hair and a green floral headband, is smiling warmly at the camera. They are both wearing light-colored winter coats. The background is a soft-focus winter scene with snow-covered trees and ground.

and struggles and release them into God's control When Estes prepares for her burning sessions it gives her peace and the feeling of surrendering her heartache and challenges into the hands of God She still struggles as we all do but it is what we do with the anxiety within us that counts Now she seeks to share the story of how she found peace and understanding and stopped searching for the white picket fence after making many wrong choices in relationships friendships and family issues Set in Texas and California this inspirational personal narrative tells the story of a woman who has endured many types of trauma and wants to share her tools for healing with others **The Christian Life** ,1887 *From Trap to Queen* Meagan Toney R.N. ,2023-04-20 A personal journey of healing from sexual abuse and PTSD A good Love story starts with a look and ends with longing I've had many lovers in my life Lovers of my body Lovers of my time Lovers of my money and Lovers of my mind All of these Lovers took from me some more than others The cost was all the same they were after my soul All of these lovers left me empty and void of feeling Longing for more I developed many ways to cope in an attempt to fill this gaping wound and put an end to the pain But nothing seemed to suffice there has only been one true lover of my life Jesus the Lover of my soul Join me as I discover my one true love and experience God's redemption unfold before my very eyes
