ANOTHER MANIFESTO OF A MADMAN FOR GOOD JAY SHERMAN, 2012-09-01 Distractions are all around us and come from all directions some come in the form of pictures movies or even books that we greatly enjoy but still keep us from what we were planning Distractions come from news outlets talking heads and what used to be reporters government and business leaders who are trying to not only add to their bottom lines but also distract us because they don't want us to know what's really going on and what they're really planning They figure if we keep fighting amongst ourselves and buying materialistic crap we don't need we will be pacified won't see what's really going on and therefore wouldn't unite and rise up to stop the whole damn thing Knowing the distractions are out there is the first step The second step is to decipher the distractions and their root and truthful definitions so we can slow and then end their sinister intentions **The Journey to Purpose**
