Maureen Child,2014-08-12 Book 2 in Maureen Child s beloved Marconi Brides series Michaela Mike Marconi never meant to become a stalker It just sort of happened after gorgeous infuriating researcher Lucas Gallagher bought land meant for her and then started building her dream house She can t help it if he s doing it all wrong Someone has to show him the error of his ways For two months Lucas has been frustrated and turned on damn it by the most irritating plumber he s ever met Curing cancer isn t as hard as putting up with Mike s busybody ways especially when all Lucas really wants is to get busy with her body When the two give in to their passion their world is rocked to the core But that s not the only shake up in store for the close knit Marconi family Can their love withstand the storm *The Empire of Love* William James Dawson,2020-09-28 In the history of the last two thousand years there is but one Person who has been and is supremely loved Many have been loved by individuals by groups of persons or by communities some have received the pliant idolatries of nations such as heroes and national deliverers but in every instance the sense of love thus excited has been intimately associated with some triumph of intellect or some resounding achievement in the world of action In this there is nothing unusual for man is a natural worshipper of heroes But in Jesus Christ we discover something very different He possessed the genius to be loved in so transcendent a degree that it appears His sole genius Jesus is loved not for anything that He taught nor yet wholly for anything that He did although His actions culminate in the divine fascination of the Cross but rather for what He was in Himself His very name provokes in countless millions a reverent tenderness of emotion usually associated only with the most sacred and intimate of human relationships He is loved with a certain purity and intensity of passion that transcends even the most intimate expressions of human emotion The curious thing is that He Himself anticipated this kind of love as His eternal heritage with men He expected that men would love Him more than father or mother wife or child and even made such a love a condition of what He called discipleship The greatest marvel of all human history is that this prognostication has been strictly verified in the event He is the Supreme Lover for whose love unrealizable as it is by touch or glance or spoken word or momentary presence men and women are still willing to sacrifice themselves and surrender all things The pregnant words of Napoleon uttered in his last lonely reveries in St Helena still express the strangest thing in

universal history Caesar Charlemagne I have founded empires They were founded on force and have perished Jesus Christ has founded an empire on love and to this day there are millions ready to die for Him Napoleon felt the wonder of it all the baffling inexplicable marvel Were we able to detach ourselves enough from use and custom to survey the movement of human thought from some lonely height above the floods of Time as Napoleon in the high sea silences of St Helena we also might feel the wonder of this most wonderful thing the world has ever known **Catalog of Copyright Entries** Library of Congress.
