he is when you re in love with him He s a beauty declared my chum Elizabeth She pushed back the letter which had come as such a knockout to me Who s this Muriel who writes to tell you that she s just seen Harry Markham off to Salonika when you didn t even know he d got his orders It s Muriel Elvey I introduced him to her myself at the theatre about a fortnight ago I explained stunned That very pretty girl who was at school in Germany with me I didn t know they d met again He didn t say good bye to me Rotter snorted Elizabeth boyishly But some of us would rather be happy with a charming rotter than be bored for life by one of those prigs who never do anything wrong Haggardly I stared at that letter with its gold printed Muriel at the top its whiff of Chaminade Little Elizabeth scowled sympathetically She always had had a grimace for the name of Captain Harry Markham who had been my idol for the last year A rotter What difference does that make For that year life was a whirl of thrills and pangs because of one young soldier man s black eyes and red tabs At first it was all thrill That s bound to be when the Harry type a born fighter and philanderer leader of men and misleader of women fills up a girl s horizon with his telephone calls his invitations his flatteries and himself Feverishly happy I blessed the job that kept me where he was And now this This My job was one of those that are described as thundering good for a girl It brought me in nearly three pounds a week for I was secretary to a quite important official in one of those big rabbit warren buildings in Whitehall that we call Ministries It kept me indoors from ten A M until half past six or seven or if we d a rush of work eight o clock at night It kept nerve and brain on the stretch too My chief insisted upon taking the last ounce out of his under strappers Also he had a horrible temper But I accepted that as cheerfully as I accepted the stuffiness of that rabbit warren and the rushed lunches and the work that was draining all the go stuff out of me You see my people lived in the country and because of Harry I simply had to live in town It would have killed me I thought to tear myself away from London and from our flat near Golder s Green This had been let furnished by an officer now at the front to me and my old school chum Elizabeth Weare who was clerk at my rabbit warren We did our own housework and marketing and cooking tired as we were after our office day was done Sounds rather like all work and no play But it wasn t There was play to take it out of me more than work Play turned my days into a succession of wild jumps across stepping stones The stones of course were the times when Harry took me out I would have worked underground and consented never to see the light of day provided that I still saw him Ah I m not the first girl who has made Paradise out of bricks and mortar just because they hold a Harry I thought I was growing to mean to him as much as he meant to me Elizabeth did warn me but who ever takes any notice of these warnings from the looker on who sees the game And Elizabeth was by way of being a Man Hater anyhow so how put any trust in her opinion of my Prince Charming Gradually there slipped through the thrill of it all the first pang of doubt Surely he meant to propose No Yes No The pangs came oftener Could he mean nothing Just the flirtation that camouflages itself under the name of being great pals Or would he presently say something This was a wearing time I can tell you Presently the thrills grew fewer the pangs more frequent This is also bound to be when the Harry type cools off again Was he cooling Wasn t he A see saw of agony Slowly
