

A person's legs, wearing a dark skirt, are visible from the knees down, standing on a sandy surface. Several footprints lead from the person's feet down towards the word 'HEALING'. The word is written in large, white, serif capital letters. The background is a textured, brownish-gold surface with faint, dark, swirling patterns on the sides.

My Life As A Healer:

My Life as a Healer Eileen Drewery, Sharon Doughty, 1999 *On Angels' Wings* Pamela Russell, Barry Russell, 2013-07-26

From seeing ghostly apparitions to having out of body experiences contact with deceased loved ones and visions of the future Pamela Russell's life has never been ordinary. However it was not until she began healing that she fully understood the meaning of the messages that were being sent to her throughout her life. Written with her son Barry this book provides a glimpse into the unusual events that resulted in her finding her path as a spiritual healer. It also provides information on how to contact archangels and guardian angels demonstrating how they can have a direct impact on your life.

The Wounded Healer (True story of a child sexual abuse survivor) Dr. Priya Saklani, 2018-12-26

Slippers would break rods would break my skin would break and bleed my clothes would stain but my spirit remain untouched. Throughout her childhood Priya Saklani had only one friend FEAR which was constant. She can't recollect the time when she felt needed. She completely lacked the knowledge or understanding of what human affection meant because the only reason why people touched her was to abuse her. Longing for affection Priya felt nothing more than an object who was being passed on from one man to another. There was more to her than her body. In what might seem dark for some readers initially *The Wounded Healer* depicts the undying strength and courage of a spirit who rose from the ashes like a phoenix and became a warrior from a victim. The pain had a lot to teach her as she channelized that suffering as a stepping stone to a higher state of consciousness treating her scars like trophies. Priya turned her wounds to wisdom healing herself and today she is using that wisdom to help others heal. *The Wounded Healer* A memoir of Priya Saklani details a compelling and ferocious insight into a mind and life of a victim of complex trauma demonstrating just how childhood affects every aspect of your life.

Dr. and Master Sha: Miracle Soul Healer William Gladstone, 2014-09-02

What accounts for miraculous healings unexplainable by doctors. Is there a reality to spiritual healings. William Gladstone initially approached Dr Zhi Gang Sha with some skepticism and disbelief. William believed that there was more to life than the material world but he knew that the world has many dishonest and self deceiving mystics. So he decided to explore. William having studied medical anthropology at Harvard University had met and worked with some of the greatest spiritual leaders.

on the planet He was excited to explore Dr Sha and his healing practices William spent weeks with Dr Sha watching him at work talking to his students and observing his healings He interviewed him at length asking for specifics and addressing difficult questions He delved into the science behind Dr Sha s work and explored the underlying concepts beneath these miracle healings What William learned amazed him and opened his mind to possibilities he never expected Dr Zhi Gang Sha is a medical doctor trained in both Western medicine and traditional Chinese medicine as well as ancient Chinese sacred energy and spiritual healing Over the last decade he has healed hundreds of thousands of individuals with thousands documented and available for viewing on YouTube How does he do it Is it the placebo effect or something much more profound Dr and Master Sha Miracle Soul Healer documents the remarkable journey of a world renowned spiritual teacher and master healer who has not only demonstrated the ability to heal but also to teach people to heal themselves Written for skeptics as well as believers Dr and Master Sha Miracle Soul Healer explores the results and methodology of Dr Sha s unique life journey and his stated life mission to serve humanity and the Divine and create a healthier and happier world This book explores the ultimate mystery of how faith science and healing can change your life Healer's Light Gudata S.

Hinika,2012-07 Guided only by the light of his grandmother s dreams Gudata embarks on an extraordinary journey to quench his thirst for knowledge that in his impressionable mind only America could satisfy In this unique story we encounter the double edged sword of challenge and inspiration Healer s Light Achieving the Impossible demonstrates the difference one person can make in the lives of thousands One does not expect a boy from a tiny village in the hinterlands of Southern Ethiopia to put himself through two bachelors degrees medical school and become a surgeon much less become an instrumental force in the establishment of a prestigious Trauma Center and to be appointed as its leader at a young age All these pale in comparison to the path he takes as he returns to his roots in rural Ethiopia He establishes a school system where none existed for fifty years and goes on to build a health village in a shantytown that time and commerce forgot

Healing: the Path to Freedom Dr. Michael D. Winer,2014-08-20 Praise for Healing The Path to Freedom What Michael has apparently discovered and teaches is that how we interact with life moment by moment particularly our feeling experience is visibly at the core of everything From the broken things to the extraordinary things it is nowhere else but the place that no one thinks to lookliterally in ourselves The remarkable almost unique aspect of Michaels work is that everything he does and teaches points you back to the truth of your own tangible experience If you want to entertain the possibility of real change this can be an excellent place to do it If you seek to preserve your status quo well this may not be the place The work is not easy though it is simple and clear Its also not necessarily a quick fix though some experience rapid results Expect change and be prepared to see that life is not only what you thought it was In todays increasingly small world sticking ones head in the sand is becoming a less and less viable option as hiding places become hard to find Michaels work is all about strongly engaging life and finding the only reliable refuge your true self Marc Glassgold **Heart Flame Healing** Karin
