Miller, 2023-04-23 Our Walk with the Lord begins when we take our first step in faith by believing that Jesus is who he says he is Thereafter day after day we willingly take up our cross and attempt to follow in his footsteps finding out all too soon that The Way is not easy Some will not understand our belief in the invisible God They will consider us fools and secretly despise us for claiming to see what they cannot While they may be blind to his presence we see God everywhere and in everything Ours is a life long spiritual journey which tests our strength courage faith and convictions While it may seem that we are walking alone we are not The Lord is always with us Look around my friends there are other Believers each walking at their own pace some far ahead while others trail behind Occasionally someone comes along who falls into step and walks the long road with us Know that they have been intentionally sent by God to pick us up when we stumble and fall get lost or become discouraged We need their uplifting prayers encouragement and testimonies of faith to remind us never to give up hope This book is about my walk with The Lord However I believe the sentiments expressed are not mine alone but universal to Christians everywhere It is my hope that the

Orangutan Colin Broderick,2009-12-29 Few people who have been slave to an addiction as vicious as destructive and as unrelenting as Colin Broderick s have lived to tell their tale Fewer still have emerged from the darkest depths of alcoholism from the perpetual fistfights and muggings car crashes and blackouts to tell the harrowing truth about the modern Irish immigrant experience Orangutan is the story of a generation of young men and women in search of identity in a foreign land both in love with and at odds with the country they ve made their home So much more than just another memoir about battling addiction Orangutan is an odyssey across the unforgiving terrain of 1980s 90s and post 9 11 America Whether he is languishing in the boozy squalor of the Bronx coke fueled and manic in the streets of Manhattan chasing Hunter S Thompson s American Dream from San Francisco to the desert or turning the South into his beer soaked playground Broderick plainly and unflinchingly charts what it means to be Irish in America and how the grips of heritage can destroy a man s soul But brutal though Orangutan may be it is ultimately a story of hope and redemption it is the story of an Irish drunk unlike any you ve met before
