*Reflexivity in Love A Self-Reflexive Portrait of the Little Flower of Jesus* Fr. Emmanuel Javert Nnadozie OCD,2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s

simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key     **An Hour with the Little Flower** Albert Harold Dolan, Chrysostom J.

Saxby, 1850     *Life + Love (A Poetic Memoir)* Andrew Cray, 2009-12-10 *Life Love* is the poetic memoir of Andrew Cray. Works composed over a three-year period where he felt his life was over. Throughout his life, he struggled with love, faith, rejection, doubt, self-pity, and life. To escape the outside world, he isolated himself and began to write poetry as his own self-prescribed therapy. *Life Lovetakes* takes the reader through his journey of remembering old loves and old flames to how a person can question oneself about their faith and self-worth. Uncut, real, straight from the heart, poetry that leaves nothing on the table. He is free, emancipated from his fears, self-doubts, and criticism from the world at large. *Life Love* is sure to inspire those who feel they are alone in life to comfort them and make them realize that love always turns around.     ***The Frost-king; Or,***

This sequel to volume 1 contains all of Therese's letters from the end of September 1890 during her novitiate until her death in 1897, as well as many letters written to or about her. Here the mature Saint Therese shows the path of her growth as a religious and as a deep spiritual writer. The reader learns much about all of her correspondents, including her two missionary brothers, and gains familiarity with the development of her thought and message. Fifty pages of complementary documents give us useful tools for studying the texts. This work has been translated from the critical edition by John Clarke, OCD. The ebook includes 4 pages of facsimiles of Therese's letters plus a fully linked general and biblical index.     *50 Masterpieces you have to read before you die Vol: 4 (2024 Edition)* Ryūnosuke Akutagawa, Louisa May Alcott, Horatio Alger Jr., Grant
