My Love My Land:

My Love, My Land Judy Gardiner, 1980 **My Roots, My Love, My Destiny** Beatrice Akpu Inyang Eleje, 2012-07-24 *My Roots My Love My Destiny* is the story of two strong women told across an epic and rich canvas painted by two wars and two unique destinies. In her ninety six years Ogeri author Beatrice Akpu Inyang Eleje's mother experienced danger, heartbreak and great love. Her journey spanned most of the twentieth century and was dictated by the societal norms, values and traditions of the Nigeria of her time. Lovingly reconstructed, these are a few of Eleje's most beloved and revered memories of her mother. For the daughter, her journey was spent attempting to navigate rapidly changing waters. Caught between two colliding civilizations—the Western civilization and African culture and Nigerian two cultures and two world views—her path was less certain. While one world encouraged independence, the other demanded absolute filial obedience. Rebellion was inevitable. As Eleje listened to her mother speak of her life, the similarities emerged. Both women survived their husbands and both knew the heartache of illness, loss and uncertainty as well as the joys of love in the most unexpected places. But through it all rings a life-sustaining truth worth celebrating: no matter how dark the tunnel, there is always light just around the corner if you can just lift your head to look. Designed to inspire younger women to persevere in the face of seemingly insurmountable odds, the story of these two women proves that no matter what you just need to take the next step toward hope. **My Father, My Love, My Lord** Sonya Privette-James, 2013-04-23 Worship, praise, adoration, inspiration and illumination of what God is saying to you. The Spectator, 1913 A weekly review of politics literature theology and art The Complete Works of Sir Walter Scott Walter Scott, 1833 *Memoirs* Tony Bulley, 2015-02-17 All of my poems are inspired or are reflective of people and events that have had a deep emotional effect on my life in my latter years in which I have been compelled to write about them Each and every poem tells its own story in time and place from my life poems that are an image of what is really happening in the world today with people's attitudes and structured society and feelings for others to my love poems that reach into the very depths of my emotions and portray how various women have affected my life emotionally And it almost certainly reflects the effects of being adopted and never knowing a mother's true love in which most talk of love far away a need of wanting a need of being and being so near yet so far which is the story of my life The final two sections are probably self-explanatory They again are drawn from events that have affected my life and the lives of others from poems of grief that reflect a sense of there but not gone as all life is eternal to my final poems about Tibet which came from a deep feeling and empathy for Tibet and its people **NEVAEH** Sidney St. James, 2019 NEVAEH THE LOST CITY OF NEMEA OMEGA CHRONICLES BOOK 2 If you were to destroy the belief in immortality in mankind not only love but every living force on which the continuation of all life in the world depends would dry up at once Fyodor Dostoevsky Many people believe that being immortal is a bliss something that is priceless something that one would do next to anything for Would it be a bliss to live long enough to see all your loved ones perish To wander around the world in loneliness for every friend you ever made have run out of time to

spend with you Personally I think not It s not a bliss If anything it s a downright curse This story about the lost city of Nemea is a subgenre of the fantasy or science fiction genres that involves the discovery of an unknown world out of time and place The second novel in the Omega Chronicles series is also a subgenre of the late Victorian adventure romance This story has a similar theme to other mythical kingdoms The Lost City of Altinova in Book 1 and others such as Atlantis and El Dorado Lucas Petersen a professor at the University of Texas is resting quietly in his apartment on Guadalupe Street near the main campus There s a knock at his door that surprised him He is visited by Tommy Hansen a good friend With him he brought a steel box sat it down at his friend s table and explained his unusual request including the fact that he was soon to die Part of the request was that the contents of the box couldn t be disclosed for twenty years Later that day Lucas received a message that his good friend did in fact die the same night after visiting with him At that time he adopted his friend s five year old son and waited over twenty years to open the steel box After twenty years Lucas and his adopted son read of the quest they must follow into the darkest of jungles in Peru a place more than one thousand miles northeast of Lima As they journeyed the men encountered a most terrible storm a river full of crocodiles never ending mosquitos seven foot tall savages huge Anaconda snakes cannibals and last but not least Queen Nevaeh herself Just before reaching the end of their quest the adventurers found a never ending city breathtakingly beautiful with old Greek architecture The patterns of the roadways and the buildings were geometrical to the very last brick The statues of Gods and Goddesses were perfect The stone lions appeared ready to spring off their perches at any second In the center of the Lost City of Nemea was the next to last step for the adventurers before pressing on towards their final destination the Pillar of Life [Catalog of Copyright Entries](#) Library of Congress.
