In the Shadow of the Wall is the story of how the dark tendrils of war can penetrate lives far into the future It arises out of the Vietnam era a time of painful change and coming of age in America yet in many ways it is a story that parallels the challenges and transitions facing us today When a soldier goes off to war parents spouses families and friends all share in the associated emotions and fears They also share in the inevitable effects and their resulting consequences forever Until our world is ready to share a commitment to learning to live in peace and unity there will always be Walls that stand as symbols of what is lost to violence and there will always be shadows to haunt the survivors
