F. Lachelles Wraxall ,2015-02-05 Example i n this ebook If there be a story which may be supposed to be thoroughly familiar to the reading public it is surely that of the Queen of Denmark who is believed to have loved not wisely but too well The fate of Struensee has supplied the motive for countless works more or less historical for novels and even for an opera Hence it might reasonably be assumed that the man who ventured on intruding on the English public another work on such a thoroughly worn out topic must be either very impudent or very foolish and yet I have ventured to do so through neither of these failings but for reasons which have been duly weighed and which appear to my mind to convey their justification The first of these motives is that within a very recent period a perfectly new light has been thrown on the whole affair by permission being granted to examine the privy archives of Copenhagen From these I have been enabled to derive the hitherto unpublished documents and reports of the judges and thus prove on what worthless evidence the divorce of the queen was passed At the same time a great deal of fresh matter has been rendered available about the two unhappy men who fell victims to a mistaken sense of justice The late King of Denmark who wisely thought that publicity was the best safeguard of thrones also allowed the M moires de mon Temps of the Landgrave Charles of Hesse Cassel brother in law of Christian VII to be printed for private circulation I have been enabled to procure a copy of this work through the kindness of Baron von Jenssen Tusch who obtained it from the Prince of Augustenburg and the many curious details of the Court of Denmark it contains have been woven largely into my text Another work which has afforded me very material assistance is the Memoirs of Reverdil Secretary to Christian VII which appeared two or three years ago but is little known in this country Lastly the private journals of Sir N W Wraxall have been laid under contribution to a great extent It was made known by the publication of the Post humous Memoirs that he had been connected with the Queen of Denmark but it was

only during last year that I discovered how much my grandfather knew of the affair and how well he had kept silence on the subject I have ransacked his journals correspondence c in the interests of the present work and these have enabled me I hope to bring together much not hitherto known or if known forgotten As a humble follower of Lord Macaulay I have also recognised the value of pamphlets and chap books and have been able to obtain with some cost and trouble nearly everything published on the palace revolution during 1772 and 1773 in Germany Denmark and England I have also considered it my duty to consult every work at all connected with the subject and do not think that any one has been omitted Whether it has been in my power to prove the innocence of the Queen of Denmark is a question for my readers to decide I however take some credit to myself for publishing for the first time the letter which she wrote on her death bed to her brother This letter passed through the hands of the late King of Hanover to the Duchess of Augustenburg from whom my copy is derived To be continue in this ebook

**Studies in Indo-Muslim History by S.H. Hodivala Volume II** Sanjay Garg,2018-08-30 In the field of medieval Indian historiography an eight volume magnum opus History of India as Told by Its Own Historians by Sir Henry Myers Elliot 1808 53 and the editor compiler of his posthumous papers John Dowson 1820 81 was published from London between 1867 and 1877 These landmark volumes continue to retain their popularity even nearly hundred and fifty years later and scholars still learn from and conduct their research on the basis of this work However an enterprise of this scale and magnitude was bound to suffer from some serious shortcomings An eminent Indian scholar S H Hodivala undertook the daunting task of annotating Elliot and Dowson s volumes and worked through all the new material selecting or criticizing and adding his own suggestions where previous comments did not exist or appeared unsuitable The first volume of Hodivala s annotated Studies was published in 1939 while the second was published posthumously in 1957 Over the years while the work of Elliot and Dowson has seen many reprints and is even available online now Hodivala s volumes have receded into obscurity A new edition is presented here for the first time Hodivala also published critical commentaries on 238 of about 2000 entries included in another very famous work Hobson Jobson London 1886 by Sir Henry Yule 1820 89 and Arthur Coke Burnell 1840 82 These have also been included in the present edition These volumes are thus aimed at serving as an indispensable compendium of both Elliot and Dowson s and for Yule and Burnell s excellent contributions of colonial scholarship At the same time these would also serve as a guide for comparative studies and critical appreciation of historical texts Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

The Life and Times of Dahn Batchelor My father returned to Canada in the early spring of 1944 and took a train across Canada and when his train stopped at Quesnel a mere twenty six miles from Wells he changed his mind and got on a train heading south toward Vancouver with the intention of returning to Toronto where he previously lived By a strange coincidence my aunt who was living in Wells and had been heading south on the same train saw my father get off the train in Squamish She convinced him to go to Wells She told him that his family was anxiously waiting for him He took the next train heading north toward Wells but my mother knew what he had done after my aunt phoned her and she wasn't pleased at all at his attempt to abandon us again I and my brother didn't know what he had done I only learned of it many years later from my aunt He got a job in one of the towns two gold mines and this was the first time since my birth that he actually personally gave my mother money to pay for the rent and food In the spring of 1944 he bought a large two story three bedroom log cabin in Wells for 500 In 2013 that amount of money would be equivalent to 6 215 The houses in that small town were sold for very little money then That average house in a city in 1944 would cost 8 870 and in the 2015 market the average house of that size would sell for at least four hundred thousand dollars

#### **Anti-Submarine Warfare in World War I**

John Abbatiello, 2006-05-02 Investigating the employment of British aircraft against German submarines during the final years of the First World War this new book places anti submarine campaigns from the air in the wider history of the First World War The Royal Naval Air Service invested heavily in aircraft of all types aeroplanes seaplanes airships and kite balloons in order to counter the German U boats Under the Royal Air Force the air campaign against U boats continued uninterrupted Aircraft bombed German U boat bases in Flanders conducted area and hunting patrols around the coasts of Britain and escorted merchant convoys to safety Despite the fact that aircraft acting alone destroyed only one U boat during the war the overall contribution of naval aviation to foiling U boat attacks was significant Only five merchant vessels succumbed to submarine attack when convoyed by a combined air and surface escort during World War I This book examines aircraft and weapons technology aircrew training and the aircraft production issues that shaped this campaign Then a close examination of anti submarine operations bombing patrols and escort yields a significantly different judgment from existing interpretations of these operations This study is the first to take an objective look at the writing and publication of the naval and air official histories as they told the story of naval aviation during the Great War The author also examines the German view of aircraft effectiveness through German actions prisoner interrogations official histories and memoirs to provide a comparative judgment The conclusion closes with a brief narrative of post war air anti submarine developments and a summary of findings Overall the author concludes that despite the challenges of organization training and production the employment of aircraft against U boats was largely successful during the Great War This book will be of interest to historians of naval and air power history as well as students of World War I and military history in general

Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
