### **My Mom Has Cancer Paperback:**

Okay Mommy, I Will Help You M.n.l.,2020-09-26 A unique perspective from a youth's point of view on how to deal with a parent's cancer diagnosis. The author provides a candid but inspiring message for kids who may be faced with a similar circumstance. It's an extremely refreshing story that highlights the strength and bravery of a young girl who has to tackle such a heavy burden head on. While the focus is on the author's personal experience with her mother's cancer diagnosis, this book can be a source of guidance and comfort for children who have parents, grandparents, siblings, or any family member or friend who has been diagnosed with a serious illness.

**My Parent Has Cancer and It Really Sucks** Marc Silver, Maya Silver, 2013-03-05 Let's face it, cancer sucks. This book provides real-life advice from real-life teens designed to help teens live with a parent who is fighting cancer. One million American teenagers live with a parent who is fighting cancer. It's a hard blow for those already navigating high school, preparing for college, and becoming increasingly independent. Author Maya Silver was 15 when her mom was diagnosed with breast cancer in 2001. She and her dad, Marc, have combined their family's personal experience with advice from dozens of medical professionals and real stories from 100 teens all going through the same thing Maya did. The topic of cancer can be difficult to approach, but in a highly designed, engaging style, this book gives practical guidance that includes: How to talk about the diagnosis and what does diagnosis even mean anyway? The best outlets for stress, punching a wall is not a great one, but should it happen, there are instructions for a patch job. How to deal with friends, especially one of the ones with pity eyes. Whether to tell the teachers and guidance counselors and what they should know, how not to get embarrassed in class. What happens in a therapy session and how to find a support group if you want one. A special section for parents also gives tips on strategies for sharing the news and explaining cancer to a child, making sure your child doesn't become the parent, what to do if the outlook is grim, and tips for how to live life after cancer. **My Parent Has Cancer and It Really Sucks** allows teens to see that they are not alone. That no matter how rough things get, they will get through this difficult time. That everything they're feeling is OK. Essays from Gilda Radner's Gilda's Club annual contest are an especially poignant and moving testimony of how other teens dealt with their family's situation. Praise for **My Parent Has Cancer and It Really Sucks**. Wisely crafted into a wonderfully warm, engaging, and informative book that reads like a chat with a group of friends with helpful advice from the experts. Paula K.
