Betorah Lianos,2016-09-28 When we started this book it was one huge pile of words They had no beginning or end Throughout the process we asked her to breathe and think about where she wanted to break them apart We hoped by taking her own words and placing them on paper that it would help in her journey of healing One day she asked if we could find someone to draw the pictures with hopes that she can help another child who is going through a similar experience It is very important to Betorah that other children know they are not alone by following
