

*My mother lost her mother recently. Before she went away, I never realised how much she'd miss her.*

*Alongside, I can't fathom the time I'd have to live without my mother, let's be realistic.*

*This mother's day, I promise my mother that I'll be there for her when she needs her mother, and when she would want to be the mother.*

*She can play all those roles so perfectly, I can at least try to, for her.*
