My Mum Needs Me Helping Children With Ill Or Disabled Children:

Helping Children with Ill Or Disabled Parents Julia Segal, John Simkins, 1996 The authors explore the range of issues that can arise when a parent falls ill or becomes disabled focusing on what children need to know issues of dependency and separation the role of teachers and schools the child's sense of responsibility and how to help children cope with their feelings Annotation copyright by Book News Inc Portland OR **Helping Children of Troubled Parents** Margot Sunderland, 2017-04-28 Enables practitioners to help children whose emotional wellbeing is being adversely affected by troubled parents This title explores the fact that when parents are preoccupied with their own troubles they are often unable to effectively address their child's core relational needs such as soothing validating attunement and co-adventure **Social Work with Children** Eric Blyth, 2018-10-08 The recent review of the Diploma in Social Work highlighted the fact that children and young people who are in care have less successful records of educational achievement than their peers Social Work with Children encourages students to view the educational experiences of the young people they will work with seriously and to provide them with the necessary information to do so with confidence and authority It takes account of the problems associated with inter-agency and inter-professional work drawing upon the authors own practical experience and research Illustrative case studies are provided **Helping Children with Troubled Parents** Margot Sunderland, Nicky Armstrong, 2017-04-28 This book is designed to enable practitioners to help children whose emotional wellbeing is being adversely affected by troubled parents These are children who live with the burden of having to navigate their parent's troubled emotional states often leaving them with a mass of painful feelings about a chaotic and disturbing world They can feel alarmed by their parent rather than experiencing them as home and a place of safety and solace The author explores the fact that when parents are preoccupied with their own troubles they are often unable to effectively address their child's core relational needs e.g. soothing validating attunement co-adventure interactive play As a result children are left self-helping which all too often means drugs drink self-harm depression anxiety eating disorders or problems with anger in the teenage years This guidebook offers readers a wealth of vital theory and effective interventions for working with these children and specifically the key feelings such children need help with Particular focus is given to the effects on children of family breakdown separation and divorce witnessing parents fighting and parents who suffer from depression or anxiety mental or physical ill health alcohol or drug addiction Readers will learn the complexity of children's feelings about their troubled parents how to enable children to address their unspoken hurt fear grief rage and resentment about their troubled parent in order to move forward in their lives how to empower children to find their voice when they have been left in the role of impotent bystander effective parent-child intervention when parental troubles are adversely affecting the child and how to help a parent and child find each other again **Children's Reflections On Family Life** Michele Moore, 2012-11-12 How important is the family for children How do children cope when parents have to juggle child care employment and other

responsibilities In this volume these questions and others are raised and reflected upon by children themselves providing insights for parents and professionals Psychological Approaches to Rehabilitation after Traumatic Brain Injury Andy Tyerman,Nigel S. King,2009-01-26 The psychological effects of traumatic brain injury TBI provide a major challenge to rehabilitation services This text will increase understanding of the nature of these effects and provide practical guidance from experienced practitioners about psychological interventions for use in both rehabilitation and long term adjustment Provides practical guidance and illustrative case examples from experienced practitioners Structured around five main areas overview of psychological effects and services cognitive rehabilitation managing emotional and behavioural problems vocational rehabilitation and family impact and interventions The Trouble with Illness Julia Segal,2017-06-21 A candid look at how people respond when someone close to them has an illness or disability and what can be done to avoid discomfort causing a rift in that relationship The book explores relationships between partners children and professionals and considers the different ways in which understanding can transform how people feel and react *Hidden Hands* Angela Bolton,Phillip Mizen,Christopher Pole,2002-01-04 Hidden Hands focuses on a specific and neglected area of contemporary child welfare that of children s paid work and labour This book provides the first cross cultural examination of children s productive activities their relationship to children s broader social lives and their implications for the child s education welfare and well being The contributors look at the situation both here and overseas They discuss issues including conflicts between schooling education and work in the UK child poverty motivating children to work children from ethnic minorities the work and labour of children in industrialised countries and the situation in the US Denmark Germany and Russia The growth in the study of childhood encompasses anthropology sociology social policy and social work as well as education This book will be of use in all of these areas *Health and Healing after Traumatic Brain Injury* Heidi Muenchberger,Elizabeth Kendall,John J. Wright,2013-05-09 In this groundbreaking book experts show what a difference support systems family friends community and social programs can make towards the recovery of the millions of people who suffer a traumatic brain injury each year Health and Healing after Traumatic Brain Injury Understanding the Power of Family Friends Community and Other Support Systems stresses the importance of an integrated and systems approach to healing This book offers a unique combination of practitioner perspectives on what works for individual patients consumer stories and learned insights over time as well as researcher insights from innovative programs It provides a holistic account of the important factors in living with a brain injury that will inform and benefit health practitioners and policy makers as well as people with brain injuries and their family members and friends The chapters explore the current best evidence and contemporary views on healing that draw on optimism aspirational living and meaningful partnerships The authors focus on the emergent area of the salutogenic experience of injury how brain injury changes and shapes lives in positive ways and on the variables within individuals and their environments that provide a supportive influence in long term healing Understanding What Children Say Sarah

Gorin,2004-01-01 Focusing on UK research dating from 1990 to 2003 this literature review examines what children say about living in families where there is domestic violence parental substance misuse or parental health problems *AIDS as a*

Gender Issue Lydia Bennett,Catherine Hankins,Lorraine Sherr,2013-10-15 This international collection examines a wide range of psycho social aspects of AIDS and HIV infection including prevention education healthcare and policy in terms of gender challenges **Resilience in Palliative Care** Barbara Monroe,David Oliviere,2007-09-06 The first book of its kind

Resilience and Palliative Care Achievement in adversity takes the increasing international literature on resilience and applies it to palliative and end of life care The book offers an overview of all key aspects of palliative care presented through a resilience perspective Why do some patients and families break down while others surmounts the challenges facing them What interventions strengthen individual family and community coping This book aims to facilitate change with people facing the crisis of death dying and bereavement Much of the existing literature has focused on risk problems and vulnerability the emerging concept of resilience focuses on strengths and possibilities The total pain total care approach pioneered by Dame Cicely Saunders and St Christopher s Hospice now needs reinterpreting in the light of changing contexts and challenges The realities of demographic change and resource constrained health and social care environments have generated an increasingly risk focused approach to service delivery A narrowly medicalised approach has inevitable limitations professional care alone will be unable to meet need and demand in the face of ageing populations changing patterns of illness and the need for equity The resilience approach offers a counterbalance that harnesses the strengths of individuals and the communities in which they live and in which most of their dying will take place Resilience thinking emphasises the importance of public health and creates a partnership between patients professionals and community structures seeking to build community capacity and to deliver a preventive health care that will leave future generations less afraid of the dying and bereavement that will confront all of us This book offers insights into how at all levels of planning and delivering palliative care there is the opportunity to maximise coping build an infrastructure for self help and increase the capacity of strengthened teams and organisations Psychosocial Issues in Palliative Care Mari Lloyd-Williams,2008-05-08

Psychosocial Issues in Palliative Care is for anyone working the field of palliative care both in the community and in hospitals this includes those in medicine nursing social work chaplaincy counseling primary care and mental health Jacket

Reconceptualising Work with 'carers' Kirsten Stalker,2003 Demonstrating the scope and diversity of caring the contributors highlight the positive aspects of caring and the interdependence of many caring relationships but also broach the sensitive and complex subject of poor care and the importance of identifying and meeting the needs of hidden carers

My Mum Needs Me Helping Children With Ill Or Disabled Children Introduction

In today's digital age, the availability of My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing My Mum Needs Me Helping Children With Ill Or Disabled Children versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of My Mum Needs Me Helping Children With Ill Or Disabled Children books and manuals for download and embark on your journey of knowledge?
