Chinmoy's poems selected from his entire body of poetic work that spans over six decades. He started writing poetry from the age of thirteen and continued writing even in the last year of his life. As a child, he was thoroughly trained in the craft of the poetic art. All his early poems were written from within the poetic restraints of meter and rhyme. Only later in his poetic career, he wrote in free verse. Speaking of his poetry, Sri Chinmoy said: "Throughout my poetry journey, my poetry tree has cherished various branches: philosophy, prayer, religion, spirituality, my love of Nature's beauty, my love of word making, which the English language indulgently allows me to explore, and my abiding love, concern, and hope for this world of ours. Because of the sheer originality, sincerity, honesty, and truth in his poems, the cadences of Sri Chinmoy's poetry, like the poet himself, will travel through time for centuries and centuries to come, offering hope, strength, and salvation to many an earnest traveler in his or her journey through life." Book Review: These inspiring poems, so rich in wisdom, spirituality, and love, remind us Sri Chinmoy lives on, cherished in our hearts and history.
