Treasured Time with Your Toddler Jan Brennan,1991 Treasured Time with Your Toddler is a handbook of activities for parents of two and three year olds For four weeks of each month Jan Brennan presents songs and nursery rhymes to sing stories and books to read simple foods to prepare and games crafts or explorations to do together Advertising in women s and parent s magazines **Dad Up!** Steve Patterson,2021-06-01 From one of the country s most beloved comedians and host of CBC Radio s incredibly popular program The Debaters comes a funny poignant and at times unexpectedly wise look at what it means to be a dad in this day and age Steve Patterson has been thinking about dad dom for quite a while In Dad Up he gives his all to be the best father possible to two young girls while imparting his hard won wisdom and insights to readers everywhere The youngest of five boys growing up in an Irish Catholic household Patterson mines his childhood for any sage advice he might have picked up from his own dad He talks with candour about the difficulty he and his wife Nancy had conceiving finding humour in their experiences with the fertility clinic s automated phone calls which Patterson calls RoboPimp informing them when Nancy was ovulating He chronicles the disappointment of failing to get pregnant only to have the miracle conception take place in Regina during Grey Cup Week under the guiding spirit of the Saskatchewan

Roughriders and comedian Brent Butt don't ask From that point on Steve Patterson assumes full dad mode riffing on the biohazard that is changing a diaper the absolute futility of stuffed animals becoming a public breastfeeding warrior in the most unexpected of places and how growing up a little boy in no way prepares you to being a father to little girls Most importantly Dad Up charts the awesome experience of watching tiny infants that you somehow had a hand in creating evolve into confident and crafty little people and the lessons that they teach along the way

Why Is My Child in Charge? Claire Lerner, 2021-09-02 Solve toddler challenges with eight key mindshifts that will help you parent with clarity calmness and self control In *Why is My Child in Charge* Claire Lerner shows how making critical mindshifts seeing children's behaviors through a new lens empowers parents to solve their most vexing childrearing challenges Using real life stories Lerner unpacks the individualized process she guides parents through to settle common challenges such as throwing tantrums in public delaying bedtime for hours refusing to participate in family mealtimes and resisting potty training Lerner then provides readers with a roadmap for how to recognize the root cause of their child's behavior and how to create and implement an action plan tailored to the unique needs of each child and family *Why is My Child in Charge* is like having a child development specialist in your home It shows how parents can develop proven practical strategies that translate into adaptable happy kids and calm connected in control parents
