Uncanny Fairy Tales Francesca Arnavas,2024-05-31 There are fairy tales that surprise destabilise or even shock us these are uncanny fairy tales that manipulate familiar stories in creative and bewildering ways in order to express new meanings This work analyses these tales basing its approach on a reformulation of Freud s concept of the uncanny Through a cognitive outlook the employed theoretical framework provides new perspectives on the study of experimental literary fairy tales Considering English language literature complex and unsettling reinterpretations of the fairy tale discourse began to appear during the Victorian Age later resurfacing as a postmodern trend This research individuates uncanny related narrative techniques and cognitive responses as means to decodify and explore these tales and as ways to discover unseen connections between Victorian and postmodern texts The new theorisation of the uncanny is linked with three subconcepts mirror hybridity and wonder which function as tools to describe and investigate the cognitive and emotional entanglements characterising enigmatic and disorienting fairy tales

My Seven Angels ESTRELLA,2011-04-14 There is no available information at this time **My Air Force Fairy Tale Bookset 1** Brittany Fichter,2021-02-20 Three men in uniform Three spunky ladies Three fairy tale themed happily ever afters 1 My Little Rock Airman Jessie As a strange silence settles in the car I find myself increasingly unsettled by the man beside me Which is stupid Derrick torments me for half of our relationship and spends the other half begging me to help him avoid his boss Besides I don t date airmen So why do I feel like I m just now meeting him for the first time And why does it suddenly feel like maybe maybe it s time to rethink my dating rules after all Derrick It has to be the uniform Women are weird about uniforms It s just something I wear every day It has function and utility Usually when Jessie sees me she meets me with a scowl But today she doesn t look annoyed She looks intrigued And though that would have concerned me two months ago now I can t help but think that I like it 2 My Carolina Airman Alexander Once upon a time Carly smiled a lot Even in her pain now I can see hints of that girl I loved so much She was smart adventurous and had the snarkiest sense of humor And based on the way she nearly grinned at me earlier I can only guess or hope rather that all of that is still inside As I leave the base to head to the nearest pharmacy a plan begins to form It s perfect really I could nurse Carly back to health She d get

insurance She'd be independent of her relatives care and I could spend the rest of our lives making up for my mistakes My heart begins to hammer in my chest and with each passing second I can see it unfolding perfectly in my head The only problem will be convincing Carly Saying she can be stubborn is like saying winter is chilly But I can be stubborn too Especially when it comes to the girl I love Carly I don't know what I expected from the kiss but it wasn't this My eyes are closed but colors flash behind my eyelids like fireworks In this kiss I see glimpses of two kids who fell in love and all the dreams they'd painted in those bright Carolina sunsets Then he's gone I open my eyes in confusion to see him pulling back as the crowd bursts into cheers and whistles I present Mr and Mrs Alexander Calero the judge announces Alexander's eyes smolder as they meet mine and we both know something has changed If only I knew what it is This is supposed to be a fake marriage just a way to get me the medical care I need until Grandpa comes back So why does kissing Alexander feel like waking up 3 My Las Vegas Airman Chris I play life safe Order determination and hard work serve me well and I'm about to take the next step toward my dream becoming an Air Force officer Unfortunately the experimental officer training program I've been accepted to is at a university in Las Vegas Even worse the college student I've been assigned as a university guide might be charming and adorable but she's also the most scatterbrained person I've ever had the misfortune of working with The more I get to know misadventurous bubbly Skylar however the more I realize that there might be more than my strict adherence to rules on the line I might be in danger of losing my heart Skylar I don't mean to get into scrapes But thanks to my unfortunate tendencies I'm about to flunk out of one of my foundational hospitality courses So when I'm offered the chance to earn extra credit by helping a new student for a semester I jump I quickly realize however that Sergeant Chris Brooking while absurdly handsome is one of the biggest squares I've ever met In my attempt to unlock his secrets however I end up discovering my own truths that I'd rather not face So when the broody airman offers to help I must decide whether I can bear to let him see the insecurities I try so hard to hide or push him away forever
