My Quest For Camelot Sequel To American Gonnif:

My Quest for Camelot E. M. Nolbay, 2002-06 AMERICA GONNIF ended with Al and Marian leaving New York and settling in Southern California after the war Before the conclusion of that book are these words The experiences that followed will be written about if written at all at another time depending on the outcome and reaction to this book Since then many who have read it asked for a sequel Though some wanted to know what happened to the other characters in the story most asked how Al evolved from a carpenter to a lawyer The transition does sound strange and it s a long story well worth reading Now we and history accompany him on that journey What follows is literally three books in one The first tells of a quest one that was inspired by a chance encounter during a vacation in Palm Springs The second depicts the circumstances leading to the attainment of a goal never anticipated and the third well you ll have to read it Actually this is a story about Al and Marian and myriad historical events They met the same night Pearl Harbor was bombed and what is more historic than that And when Al teases It was the night the war began pause and it hasn t stopped since she hates it But they re still together AND THIS IS THEIR STORY Testimonial I felt the passion and drive Al Yablon demonstrates in this book From construction worker to attorney he pulls no punches constantly keeping you intrigued with his brutal honesty of how he achieved his success Morris Heldt writer and publisher For an autographed copy and more about the author [click here](#)
