# My Redemption

**George W. MYLNE**

## **My Redemption:**

Targum and New Testament Martin McNamara, 2011 The relevance of the Targums Aramaic translations of the Hebrew Bible for the understanding of the New Testament has been a matter of dispute over the past three hundred years principally by reason of the late date of the Targum manuscripts and the nature of the Aramaic The debate has become more focused by reason of the Qumran finds of pre Christian Aramaic documents 1947 and the identification of a complete text of the Palestinian Targum of the Pentateuch in the Vatican Library Codex Neofiti 1956 Martin McNamara traces the history of the debate down to our own day and the annotated translation of all the Targums into English He studies the language situation Aramaic and Greek in New Testament Palestine and the interpretation of the Scriptures in the Targums with concepts and language similar to the New Testament Against this background relationships between the Targums and the New Testament are examined A way forward is suggested by regarding the tell like structure of the Targums with layers from different ages and a continuum running through for certain texts      **The Metropolitan Tabernacle Pulpit** Charles Haddon Spurgeon, 1882      The Prophecy and Testament Robert L. Vincent, Consuelo M. Vincent, 2006 Calling to YOU the Brethren That these Words thereof are from He who sent me and all willingness be of thine My Most Holy That day of December 25 1983 forever changed our lives Connie had received many visions of Christ as a young girl but now as an adult something changed A new Visitation unlike any of the previous encounters with God The Vision was in the form of a Golden Book located in Heaven with small and minute in script and in delved upon Gold of the purest form The writing was on Pearl of white paper As I inquired to the Lord about the nature of the Book God revealed to us Therefore this thy Book of True Revealing be restored yet unto Her which is to say My Jerusalem And also adhering to Gods command Neglect not the Work of Mine Hand that is upon ye For that which I have spoken shall come to pass and at this place that ye harbor shall I release The Prophecy of Written Word as that which was spoken of in Scripture as a Overture to come And so now you have it to read and Overture comes It is written in Revelation 11 3 And I will give power unto my two witnesses and they shall prophesy a thousand two hundred and three score days These have power to shut heaven that it rain not in the days of the prophecy and have power over waters to turn them into blood and smite the earth with all plagues as often as they will These Testaments reveal great earthquakes Wars and The Plague of Ephods that threatens 25% of mankind with extinction The Earth toppling on its axis as a final judgment We have no weapons no guns no poisons no armies to fight with to arrest those committing high crimes and treason against humanity As Moses was at the back of the mountain tending his sheep and was summoned to Gods Holy Mountain and there was told he must go and free Gods people from bondage with only a staff so we have found ourselves in similar circumstances We have the Spirit of Prophecy Gods secret weapons to set against those wishing to oppress Israel and Gods people The earth is deserving      Thru the Bible: Genesis through Revelation J. H. Spurgeon, Volume 17](#) Spurgeon, Charles H.,2015-02-25 Volume 17 Sermons 968 1027 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **Reposing in Jesus: Or, the True Secret of Grace and Strength** George W. W. Kenyon,Don Gossett,2021-09-07 Our words carry weight and we must be careful of what we confess The salvation healing and deliverance of the Christian rests upon the confession that we make of Jesus s lordship and our affirmation of the truths in His Word The Power of Your Words Devotional is a sixty day journey into the insightful teachings of E W Kenyon and Don Gossett A corresponding confession is part of each day s entry along with an opportunity for prayer personal reflection application and daily readings from Scripture If you have lacked anything in your life experience are constantly your own worst enemy or fail to accomplish what you say you will do then this book is for you The pages of this text will show you how to strengthen your faith live your life in the positive and learn to possess what you confess The devotional s main themes focus on the infallibility of God s Word confessing God s Word aligning your words with God s Word and living with bold faith Rely on the Holy Spirit to illuminate the Word of God as you engage with this book Begin today living a life powered by words of truth      **A Briefe Concordance to the Bible of the Last Translation ... never be able to explain the origins of material existence by examining the material itself An explanation of origins must always lie outside the entity being examined This is why scientists cannot explain the origin of the proposed singularity and why some scientists seek an alternative to the Big Bang model of our universe even resorting to logical absurdities such as the universe creating itself out of nothing while in the presence of something With the reality of God being his presupposition for what follows the author examines the case for monotheistic religions versus polytheistic concluding that the latter are antithetical to a God who is one Left with a choice between Judaism Christianity and Islam he concludes that if God has communicated his guidance for living to any it is most likely Judaism as recorded in the Hebrew scriptures The question becomes Which parts of those scriptures were intended for the children of Israel alone and which were for all people for all time Researching ever deeper he reveals what he has come to believe about how God wants us to relate to him and the specific guidance that should be reworded for contemporary times The spirit of Torah is so much more than the mere words
