## **My Several Lives Memoirs Of A Social Inv:**

*American Higher Education Since World War II* Roger L. Geiger, 2021-05-25 Geiger provides an in depth history of the remarkable transformation of higher education in the United States in the decades after World War II taking readers from the GI Bill and the postwar expansion of higher education to the social upheaval of the 1960s and 1970s desegregation and coeducation and the challenges confronting American colleges today Shedding light on the tensions and triumphs of an era of rapid change the author shows how American universities emerged after the war as the world s most successful system for the advancement of knowledge how the pioneering of mass higher education led to the goal of higher education for all and how the selectivity sweepstakes for admission to the most elite schools has resulted in increased stratification today Geiger identifies 1980 as a turning point when the link between research and economic development stimulated a revival in academic research and the ascendancy of the modern research university that continues to the present Sweeping in scope this book demonstrates how growth has been the defining feature of modern higher education but how each generation since the war has pursued it for different reasons It provides the context we need to understand the complex issues facing our colleges and universities today from rising inequality and skyrocketing costs to deficiencies in student preparedness and lax educational standards From publisher description

**The Papers of Dwight David Eisenhower** Louis Galambos, Daun Van Ee, 2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of *The War Years* in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains 1 783 documents drawn from Eisenhower s second term as president from 20 January 1957 to 20 January 1961 In these years Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952 to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U S domestic affairs In both cases events at home and abroad intruded diverting attention to immediate problems endangering the peace and forcing the White House to devote most of its leadership to the crises of the day As president during this tense period Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends These letters together with the occasional entries made in his diary shed considerable light upon the major national concerns of the 1950s The volumes also include private and secret correspondence previously unavailable to scholars Some of these items have been only recently declassified and many appear here in print for the first time Taken as a whole the Eisenhower papers from 1957 61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders *"The" Papers of Dwight David Eisenhower* Dwight D. Eisenhower, 2001 **Forged**

**Consensus** David M. Hart, 2021-06-08 In this thought provoking book David Hart challenges the creation myth of post World

War II federal science and technology policy According to this myth the postwar policy sprang full blown from the mind of Vannevar Bush in the form of Science the Endless Frontier 1945 Hart puts Bush s efforts in a larger historical and political context demonstrating in the process that Bush was but one of many contributors to this complex policy and not necessarily the most successful one Herbert Hoover Karl Compton Thurman Arnold Henry Wallace Robert Taft and Curtis LeMay along with more familiar figures like Bush are among those whose endeavors he traces Hart places these policy entrepreneurs in the broad scheme of American political development connecting each one s vision of the state in this apparently esoteric policy area to the central issues events and figures of mid century America and to key theoretical debates Hart s work reveals the wide range of ideas often in conflict with one another that underlay what later observers interpreted as a postwar consensus In Hart s view these visions and the interests and institutions that shape their translation into public policy form the enduring basis of American politics in this important area Policymakers today are still grappling with the legacies of the forged consensus

*Crossing the Finish Line* William G. Bowen,Matthew M. Chingos,Michael McPherson,2009-09-08 Why so many of America s public university students are not graduating and what to do about it The United States has long been a model for accessible affordable education as exemplified by the country s public universities And yet less than 60 percent of the students entering American universities today are graduating Why is this happening and what can be done *Crossing the Finish Line* provides the most detailed exploration ever of college completion at America s public universities This groundbreaking book sheds light on such serious issues as dropout rates linked to race gender and socioeconomic status Probing graduation rates at twenty one flagship public universities and four statewide systems of public higher education the authors focus on the progress of students in the entering class of 1999 from entry to graduation transfer or withdrawal They examine the effects of parental education family income race and gender high school grades test scores financial aid and characteristics of universities attended especially their selectivity The conclusions are compelling minority students and students from poor families have markedly lower graduation rates and take longer to earn degrees even when other variables are taken into account Noting the strong performance of transfer students and the effects of financial constraints on student retention the authors call for improved transfer and financial aid policies and suggest ways of improving the sorting processes that match students to institutions An outstanding combination of evidence and analysis *Crossing the Finish Line* should be read by everyone who cares about the nation s higher education system

*The Culture and Politics of Contemporary Street Gang Memoirs* Josephine Metcalf,2012-07-02 The publication of Sanyika Shakur s *Monster* The Autobiography of an L A Gang Member in 1993 generated a huge amount of excitement in literary circles New York Times book critic Michiko Kakutani deemed it a shocking and galvanic book and set off a new publishing trend of gang memoirs in the 1990s The memoirs showcased tales of violent confrontation and territorial belonging but also offered many of the first journalistic and autobiographical accounts of the much mythologized gang subculture In *The Culture and Politics of*

Contemporary Street Gang Memoirs Josephine Metcalf focuses on three of these memoirs Shakur's *Monster* Luis J Rodriguez's *Always Running* La Vida Loca Gang Days in L A and Stanley Tookie Williams's *Blue Rage Black Redemption* as key representatives of the gang autobiography Metcalf examines the conflict among violence thrilling sensationalism and the authorial desire to instruct and warn competing within these works The narrative arcs of the memoirs themselves rest on the process of conversion from brutal young gang bangers to nonviolent enlightened citizens Metcalf analyzes the emergence production marketing and reception of gang memoirs Through interviews with Rodriguez Shakur and Barbara Cottman Becnel Williams's editor Metcalf reveals both the writing and publishing processes This book analyzes key narrative conventions specifically how diction dialogue and narrative arcs shape the works The book also explores how these memoirs are consumed This interdisciplinary study fusing literary criticism sociology ethnography reader response study and editorial theory brings scholarly attention to a popular much discussed but understudied modern expression *The Work of Life Writing* G. Thomas Couser, 2021-04-13

Life writing in its various forms does work that other forms of expression do not it bears on the world in a way distinct from imaginative genres like fiction drama and poetry it acts in and on history in significant ways Memoirs of illness and disability often seek to depathologize the conditions that they recount Memoirs of parents by their children extend or alter relations forged initially face to face in the home At a time when memoir and other forms of life writing are being produced and consumed in unprecedented numbers this book reminds readers that memoir is not mainly a literary genre or mere entertainment Similarly letters are not merely epiphenomena of our real lives Correspondence does not just serve to communicate it enacts and sustains human relationships Memoir matters and there's life in letters All life writing arises of our daily lives and has distinctive impacts on them and the culture in which we live

Congressional Record United States. Congress, 1970 *Bringing War to Book* Rachel Woodward, K. Neil Jenkins, 2018-05-04 This book explores how military memoirs come to be written and published Looking at the journeys through which soldiers and other military personnel become writers the authors draw on over 250 military memoirs published since 1980 about service with the British armed forces and on interviews with published military memoirists who talk in detail about the writing and production of their books A range of themes are explored including the nature of the military memoir motivations for writing authors' reflections on their readerships inclusions and exclusions within the text the memories and materials that authors draw on the collaborations that make the production and publication of military memoirs possible and the issues around the design of military memoirs distinctive covers Written by two leading commentators on the sociology of the military *Bringing War to Book* offers a new and original argument about the representations of war and the military experience as a process of social production The book will be of interest to students and scholars across a range of disciplines including sociology history and cultural studies *Reviewing the Cold War* Odd Arne Westad, 2013-10-14 Since the cold war ended it has become an international field of study with new material from China

the former Soviet Union and Europe This volume takes stock of where these new materials have taken us in our understanding of what the cold war was about and how we should study it **Congressional Record** United States. Congress,1970 *A Faithful Mirror* Michael C. Johanek,2001 A critical look at the development of the secondary and higher education systems in America the evolution of the concept of merit and its impact on college opportunity for all students financial aid testing and assessment admission and affirmative action competing notions of the educated person issues that will have enduring importance as we enter a new millennium *The Social Life of Financial Derivatives* Edward LiPuma,2017-10-19 In *The Social Life of Financial Derivatives* Edward LiPuma theorizes the profound social dimensions of derivatives markets and the processes rituals and belief systems that drive them In response to the 2008 financial crisis and drawing on his experience trading derivatives LiPuma outlines how they function as complex devices that organize speculative capital as well as the ways derivative driven capitalism not only produces the conditions for its own existence but also penetrates the fabric of everyday life Framing finance as a form of social life and highlighting the intrinsically social character of financial derivatives LiPuma deepens our understanding of derivatives so that we may someday use them to serve the public well being **Morgan Brierley, a Memoir** Morgan Brierley,Helen Brierley,1900 *American Autobiography, 1945-1980* Mary Louise Briscoe,1982 This bibliography provides access to over 5 000 American autobiographies published in book form by private and commercial presses from 1945 through 1980 intro **Trauma and Resilience in Holocaust Memoir** Shira Birnbaum,2020-12-08 Through narrative analysis of the memoirs of six holocaust survivors from a single extended family *Trauma and Resilience in Holocaust Memoir* Strategies of Self Preservation and Inter Generational Encounter with Narrative examines strategies of self preservation of young people exposed to violence and persecution at different ages and life stages Through the lens of studying resilience in child development this book describes the striking diversity of holocaust era experiences and traces the arc of a remarkable global diaspora Birnbaum argues that stories from the past can enhance understanding of the internal lives of today s young refugees and survivors of violent conflict Exploring the socio politics of narrative and memory this book considers the ways that children of holocaust survivors may honor the past while also allowing a new generation to engage family history in a conversation with contemporary concerns *The Life and Presidency of Franklin Delano Roosevelt* Kenneth E. Hendrickson,2005 Historian Kenneth E Hendrickson has compiled the most comprehensive English language bibliography ever on a single individual and his influence With nearly 10 000 entries this unprecedented resource contains references and annotations to all books articles and dissertations written and published to 1994 concerning Franklin Delano Rooseve *German Women's Life Writing and the Holocaust* Elisabeth Krimmer,2018-09-20 This important study examines women s life writing about the Second World War and the Holocaust such as memoirs diaries docunovels and autobiographically inspired fiction Through a historical and literary study of the complex relationship between gender genocide and female agency the analyzes correct androcentric

views of the Second World War and seek to further our understanding of a group that although crucial to the functioning of the National Socialist regime has often been overlooked that of the complicit bystander Chapters on army auxiliaries nurses female refugees rape victims and Holocaust survivors analyze women s motivations for enlisting in the National Socialist cause as well as for their continuing support for the regime and in some cases their growing estrangement from it The readings allow insights into the nature of complicity itself the emergence of violence in civil society and the possibility of social justice

Limelight Katja Lee,2020-02-20 At the heart of fame is the tricky business of image management Over the last 115 years the celebrity autobiography has emerged as a popular and useful tool for that project In Limelight Katja Lee examines the memoirs of famous Canadian women like L M Montgomery Nellie McClung the Dionne Quintuplets Margaret Trudeau and Shania Twain to trace the rise of celebrity autobiography in Canada and the role gender has played in the rise to fame and in writing about that experience Arguing that the celebrity autobiography is always negotiating historically specific conditions Lee charts a history of celebrity in English Canada and the conditions that shape the way women access and experience fame These contexts shed light on the stories women tell about their lives and the public images they cultivate in their autobiographies As strategies of self representation change and the pressure to represent the private life escalates the celebrity autobiography undergoes distinct shifts in form function and content during the period examined in this study Limelight Canadian Women and the Rise of Celebrity Autobiography is the first book to explore the history and development of the celebrity autobiography and offers compelling evidence of the critical role of gender and nation in the way fame is experienced and represented

*Serial Memoir* N. Stamant,2014-06-23 *Serial Memoir* chronicles the phenomenon of seriality in memoir a transition in life writing toward repeated acts of self representation in the later twentieth century Such a shift demonstrates a new way to understand and represent constantly shifting subjectivities and their ambivalent relationship to the concept and structure of the archive
