The Creator immediately will forgive us once we ask it of Him It is our human nature to think sometimes our crimes are too horrific in nature The human in us tells us Creator can t forgive those it is the human in us that makes us think it is the human in us we need to turn off Only then is when we listen to our heart The Creator does not have a court with a judge jury or prosecutor there is only One Him He does not have a scale or measure to determine or compare one crime to another to Him a crime is a crime if the crime is being an adulterer a liar or a murderer to Him they are all the same the punishment is the same What matters is not the crime but that you were spiritual enough to ask forgiveness from our Creator Don t let the human in you think you cannot be forgiven that is Satan influencing you Satan will want you to think you are no good and can t possibly be forgiven DO NOT listen to that one Let your heart your spirit take over with the understanding it is done The Creator wants you to know you do not repeatedly need to be forgiven for the same crime You have been forgiven so you are to go on as He intended He created us to be happy so that is what you will do And you are to be sure you forgive others for their crimes against you That is just how it works

deeply original study connects German speaking communities across the Atlantic as they collectively engender the epistemology of the play world It will be of particular interest to German studies scholars whose research crosses the Atlantic
