with the birth pains that signaled her delivery of her first foal. The colt should never have survived except for the intervention of a loving God who shows compassion for all his creatures. This little colt had a strong will to survive and the heart of a warrior that carried him through the adventures of his life. Ranger, as he is named later, tells his own story knowing he has a sense of purpose. He recounts his birth and early years coming to rely and trust on humans and also to adjust to other horses that become friend or foe. He has many adventures with his beloved owner as he shares his life with her at her foothill ranch in Three Rivers, California. His life is long and full, amazingly so, and at 32 years young he knows it is time to leave for greener pastures. He gets to meet his maker and then knows that his earthly human companion is taken care of after his departure. Be prepared for a tug on your heart from Ranger, the little horse with the big heart. **Equestrian Life - The Animal**

Flintoff reveals unseen, surprising sides to his career and personality. The restless need to push and challenge himself that led him to take up professional boxing. The complex and troubled relationship with discipline, alcohol, and authority during his exhilarating cricket career. The search for an authentic voice as a player free from the blandness and conformity of modern professionalism. Is Flintoff the last of his kind in any sport? Through all his highs and lows, triumphs and reversals, this book reveals a central tension. There is Fred, performer, extrovert, centre of attention. Then there is Andrew, reflective, withdrawn, and uncertain. Two people contained in one extraordinary life. And sometimes inevitably keeping the two in balance proves too much. We are taken backstage, seeing the mischief and adventure that has defined Andrew Flintoff's story. Above all, we observe the enduring power of fun, friendship, and loyalty, the pillars of Flintoff's career. At ease with his faults as well as his gifts, Andrew Flintoff has sought one thing even more than success: to be himself.
