A. Foss, Ann Skinner-Jones, 2018-08-01 Today's world is stuck in black and white thinking that limits creative possibilities. We all need fresh ways to move forward beyond constraints that insist on only two possibilities: one right, the other wrong. But the world is not a black and white place. It is packed full of color. Just as color is infinitely abundant, so too is the potential for reshaping our lives. By breaking down rigid mindsets, new insights and vantage points can emerge. In **COLOR UP**, you will discover why black and white thinking is so prevalent when framing life dilemmas. Placing possible choices in opposition to each other masks the abundant alternatives that lie in between and beyond everything from the mundane to the miraculous. Color is your starting point and your prompt for change. Take full advantage of the five interactive steps of **COLOR**, an easy-to-remember acronym to transport you from limitation to possibility. **Connect** to break out of black and white thinking. **Optimize** to put your imagination to work creating colorful choices. **Lighten** to choose and appreciate the playful side of life. **Oops** to grasp there are no mistakes, only opportunities. **Ripple** to inspire others to see life from an abundant, vibrant place. The message is profound: You are never stuck, no matter the circumstances. With the help of **COLOR UP** and a trusty color wheel, you have all the tools you need to create a more vibrant life, a life lived on your own terms. **The Giant Book of Creativity**
