M. Mollohan,2005 The land was called Virginia by Sir Walter Raleigh A region of natural beauty governed by temperamental weather the western slopes of the Alleghenies beckoned a sturdy stock of early hunters explorers and settlers This is the story of how those early residents forged a home a nation and finally a state along these rocky slopes *My Account* Coleen Rooney,2023-11-09 You may think you know everything about the seemingly dazzling life of Coleen Rooney From growing up in Liverpool where she met her childhood sweetheart Wayne her career as a successful columnist to raising a family every detail of her life has been widely reported on Now in her own words Coleen reveals the reality of living under such intense public scrutiny and how it has affected her life as a wife mother and friend Most notably she reveals her deepest thoughts and feelings about an infamous tale of friendship and betrayal played out on the national stage **My Rocky Road and Beyond** Mary Muriel Hall,2014-12-03 Mary Muriel Hall nee Burns was raised in a humble four room house in Ennis Ireland In the 1940s In this touching memoir she vividly recalls her harrowing yet often humorous childhood Muriel became familiar with adversity at an unusually young age In this book she remembers family life as a toddler with an abusive alcoholic father and shares stories of a childhood marked by the tumultuous relationship of her mam and dad Muriel recalls with special fondness her grandfather who becomes the lone beacon of hope in her increasingly

turbulent life She recounts the sudden death of her father a loss that combined intense sadness with an odd sense of family relief She remembers the family move to England that allowed her to shed the negativity which surrounded her childhood she started to look to a brighter future with mixed emotions Feelings of great highs but also the dread of a different educational system the meeting of new friends whilst at the same time trying to bury the past the same past which led her to pen this book *My Rocky Road Beyond* accounting the early years in Ennis Ireland Circa 1940 The high expectations and hopes for the future Can this cloud have a silver lining or is it possible that this silver lining is in fact full of clouds Follow Muriel as she tells in her own words of the struggle to settle and shake the demons and the total disbelief when the unthinkable becomes a reality once again In all this is a book that weaves together personal stories to reveal the rich tapestry that was and Irish woman s life *My Life, My Way. The Conditioning.* Carmen James,2023-01-06 The meanderings and twists and turns of real life told through the poetry of a crazy mind or am I sane You decide What if I told you all is not as it seems What if I told you this is the land of dreams Dive inside come on let s see the twists and turns of the life we see

Staging Loss Michael Pinchbeck,Andrew Westerside,2018-11-11 This book locates and critically theorises an emerging field of twenty first century theatre practice concerned either thematically methodologically or formally with acts of commemoration and the commemorative With notions of memorial celebration temporality and remembrance at its heart and as a timely topic for debate this book asks how theatre and performance intersects with commemorative acts or rituals in contemporary theatre and performance practice It considers the re performance of history commemoration as a form of or performance of ritual performance as memorial performance as eulogy and eulogy as performance It asks where personal acts of remembrance merge with public or political acts of remembrance where the boundary between the commemorative and the performative might lie and how it might be blurred broken or questioned It explores how we might remake the past in the present to consider not just how performance commemorates but how commemoration performs *The Fib, The Swap, The Trick and Other Stories* George Layton,2015-06-04 In *The Fib The Swap and The Trick* George Layton s collections of short stories evoke a nostalgic atmospheric view of growing up in the 1950s Now published together for the first time as a bind up The coach started to move off I felt frightened All these weeks looking forward to it and now I didn t want to go Please Mum let me go home She was running alongside waving her hanky and crying He d nagged his mother for weeks to let him go on the school exchange swapping his home in the backstreets of a northern town for a posh house in London With a proper family With a dad But now it was all going wrong **My Family and Other Strangers** Jeremy Hardy,2010-03-04 When Jeremy Hardy decided to explore his ancestry it was in part to get to the bottom of his grandmother Rebecca s dubious claims that the family descended from a certain 17th century architect and that more recently Jeremy s great grandfather was a Royal bodyguard Other legends ranged from the great aunt who ran illegal hooch during Prohibition to the wronged Victorian servant girl who bore an illegitimate Hardy not forgetting the family s rightful claim to a large country estate Wild

stories aside Jeremy sets out to such diverse locations as the Croydon one way system and the hostile waters around Malta in order to find traces of recognisable family traits and a sense of how he came to be With wry humour and a keen eye for the absurd and the frustrating Jeremy takes us on a by turns funny and moving journey into the world of family ancestry My Family and Other Strangers will be enjoyed by anyone who has tried to decipher the 1901 census records or simply wishes they too had asked their grandparents more about their lives

My Friend Jesus Christ Lars Husum,2011-07-07 Having lost his parents at an early age Niko has always looked to his older sister for protection So when she starts wanting a life of her own Niko tries everything he can think of to keep her attention taking ever greater risks with his life and the lives of others until the day it ends in a tragedy On returning to his flat after the grim event Niko finds an uninvited biker sitting on his sofa Big bearded and boldy asserting that he is Jesus the biker gently but firmly advises Niko to clean up his act And Niko does what he s told with surprising consequences

Walk In My Shoes Mick Fleming,2025-03-20 For years I ve watched Mick s journey unfold at times full of hope inspired by his church and at his lowest in despair at the human suffering he has witnessed I ve seen the impact of his ministry on him personally visiting him in hospital when he was close to death in spring 2023 But what has never changed is his resilience to carry on with the unwavering belief that there is more good than bad in the world and it is the good that will triumph ED THOMAS UK EDITOR BBC NEWS On the day of my consecration I confess to wondering What on earth am I doing wearing a strange pointy hat and my grandma s curtains around my shoulders Then from the back of the church came the immortal words Get your hands off me Why is he getting made a bishop when I m sleeping on the streets Working with some of the poorest in society Mick frequently witnesses the miraculous power of God breaking through into places that you could never have imagined The homeless soul at his consecration is one of many who will be touched by God s grace Mick s own origins and wayward past my first arrest was at the age of 9 are another recurring theme in a volume full of warmth wit and compassion We read of him joining a passing NHS protest march en route to the Princess of Wales s Christmas Concert leaving the medical team responsible for saving his life with their own hearts strangely warmed trusting God to speak through him at a French Catholic festival and discovering that God loves prostitutes are exactly the right words Walk In My Shoes simply told utterly devastating and deeply hopeful draws us all into a remarkable and truly healing ministry
