My Heads High From Proudness:

Proud of What I Was — a Soldier Richard Dan Hill, 2011-11-17 Anyone who ever served in the military can tell a similar story The circumstances change and the names are different but when you deal with young soldiers anything is probable Hill tells the reader about many of these young men and women in some very funny situations He also details what it is like to be the commander of a unit with 200 or more of these soldiers in peacetime and in war In telling the story of his long and varied career he offers some real leadership gems that carry over to industry As one observer quipped every Lieutenant should read this book before spending a day with troops he will either resign his commission or stay in the military until they kick him out The author refers to the family members of military members as the real heroes in the military You will gain a whole new appreciation of what it is like to be an Army spouse Hill and his wife Carla moved 16 times during his 24 year career Once children came along it meant new adventures along with new schools and new friends The term Army Brat is worn with pride but it is a title that is hard earned One knows that military families are nomads but the author explains how assignments happen and the consequences of decisions on careers and promotion He tells the reader about dealing with the ubiquitous assignment officer The citizen who has never been around the military will learn a great deal about the inner workings of the career Army Officer and those who support them You will laugh out loud at some of these tales and cry when you learn about the sacrifices these soldiers and the families make You will swell with pride when you hear how some of these men respond from unspeakable adversity Hill is unabashedly proud of all veterans and as the title states he is proud of his many years of service He is Proud of What he was A soldier **Ebony**, 1986-02 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Rogue's Pawn: An Adult Fantasy Romance* Jeffe Kennedy, 2022-07-05 Be careful what you wish for When I walked out on my awful boyfriend wishing to be somewhere anywhere else I never expected to wake up in Faerie And as a scientist I find it even harder to believe that I now seem to be a sorceress A pretty crappy sorceress it turns out because every thought that crosses my mind becomes suddenly and frighteningly real including the black dog that has long haunted my nightmares Now I'm a captive a pawn for the fae lord Rogue and the feral and treacherous Faerie court all vying to control me and the vast powers I don't understand Worse Rogue the closest thing I have to a friend in this place is intent on seducing me He's the most beautiful man I've ever seen enthralling tempting and lethally dangerous He's as devastatingly clever as he is alluring and he tricks me into promising him my firstborn child which he intends to sire I don't dare give into him I may not have the willpower to resist him He's my only protection against those who would destroy me Unless I can learn to use my magic **Warrior's Destiny** Allie Burton, 2019-06-08 An ancient amulet A powerful soul demanding she obey A double cross that ends with a curse During a heist to steal an ancient amulet sixteen year old Olivia unwittingly receives the soul of King Tut and the deadly curse that comes with it A member of a secret society

Between Friends Debbie Macomber, 2022-01-17 The story of a remarkable friendship told in a remarkable way. A story in which every woman will recognize herself and her best friend Jillian Lawton and Lesley Adamski. Two girls from very different backgrounds become best friends in the turbulent 1960s, but their circumstances and choices and their mistakes take them in opposite directions. Lesley stays in their hometown. She marries young, living a life defined by the demands of small children, never enough money, and an unfaithful husband. Jill lives those years on a college campus, shaken by the Vietnam War, and then as an idealistic young lawyer in New York City. But they always remain friends. Through the years and across the miles, Jill and Lesley confide everything to each other, every grief and joy. Because the quality of a friendship is the quality of a life.

[The Horses of Proud Spirit](#) Melanie Sue Bowles, 2017-10-17 There are approximately seven million horses in the United States. Each year over 70,000 end up going to slaughter. Hundreds of thousands more are abused, neglected, or abandoned by callous and irresponsible owners. With a heart as big as a pasture, author Melanie Bowles takes some of these horses into her sanctuary called Proud Spirit. Here, horses that arrive listless and broken find a home where they finally know safety. The bond between horse and caretaker does not happen overnight. It hangs by a fine thread of trust.

which the author earns with endless patience and a full commitment to the well being of the horses in her care The horses some of which have suffered severe abuse astound her time and again with their ability to trust return the love they are given and enjoy the companionship of other horses You will meet an entire stableful of remarkable horses Dusty a young Thoroughbred who recovered from severe injuries to reveal a rambunctious personality and a knack for stealing hats Maddy an elderly mare and Dancer a gallant Appaloosa both of whom had been isolated for years but whose ecstatic first acquaintance at Proud Spirit was mysteriously like the reunion of two soul mates Annie a little sorrel mare who will break your heart with her weary kindness and who found peace at last under an old oak tree in a pasture at Proud Spirit Wrangler a Miniature whose premature separation from his dam turned him into a tiny tormentor His rowdy innocence helped Marshal a huge palomino Draft horse with neurological trauma become playful and engaged as he educated Wrangler in horsey manners The Horses of Proud Spirit is an homage to the spirit of these alluring creatures and a moving memoir of lessons learned in compassion strength and loss Next in series See all of the books in this series **Run and Tell That** Karen
