Lion's Den shares the journey of one missionary family as the father is detained in a predominantly Muslim country in Africa. Daniel Waheli's time spent in prison is ripe for building intimacy with the Lord in the midst of confusion, suffering, and uncertainty. The accounts of his wife and two young children offer a glimpse into the inner life of the family during this trying time. The heart of this story is not a man imprisoned but a family united in hope, love, and a pressing desire that God be glorified in all things. In a world where mission strategies come and go and often fall short of being effective, Waheli distills his experience into twelve principles for building character to better serve the Lord and persevere in His call. Whether you are a pioneer among unreached people groups or simply a Christian hungry to see Jesus glorified in your daily life, these tried and true concepts will prepare you to endure in the face of hardship.

The Complete Handbook Of Christian Chaplain Ministry Earl Pickett, 2016-02-23. The Complete Handbook of Christian Chaplain Ministry is the go-to book for anyone called or curious about being a chaplain or even going into Christian ministry. Unlike other books on chaplaincy that focus on particular institutions (hospitals, prisons, military, etc.), this book focuses on equipping people for the Christian ministry aspect of chaplaincy: how to help others like Jesus would. In these pages, readers will be motivated and challenged to pray and read the Bible more while also increasing their faith in God. Yet it will also equip them to do Christian counseling, win spiritual warfare, perform funerals, weddings, become knowledgeable about CPR and First Aid, how to relate to other cultures, what to do in a crisis situation, and so much more.

The Designer Bag at the Garbage Dump Jackie MacGirvin, 2012-05-15. Welcome to The Designer Bag at the Garbage Dump. It's a fish out of water story about how God turns 32-year-old Julie's manicured, pedicured self-absorbed designer life upside down. Julie, a nominal Christian, heads to New York for a weekend shopping binge. On a deserted train, she sits next to a stranger who turns out to be Jesus. After a wonderful healing conversation, she agrees to His request to feed My lambs. When she gets off the train, she's in India. Her charmed life is shattered; she must care for 12 filthy orphans living on a dump before she can return to her comfortable life. She lives on the street, and overwhelming new challenges arise daily. While squatting in an alley going to the bathroom, an orphan named Ravi steals her designer purse. Unbeknownst to Julie, Ravi, who speaks English, holds the key to her communicating with the other orphans. Will Julie learn 1) to trust the Lord when nothing is in her control, 2) that she doesn't have to perform to be loved, and 3) that her life is built on a shaky foundation? Can she protect the orphans from a predator who steals and maims children and sends them out to beg? How will God provide food when her wallet is stolen? Can she find safe homes for the children? The answers to these questions will also be the answers to many of your questions about God, life, and yourself. Pick up a copy of The Designer Bag at the Garbage Dump and jump into a great adventure.
