## **My Jewish Brother Jesus:**

My Jewish Brother Jesus Rolf Gompertz, 1977-01-01      A Jewish Novel About Jesus Rolf Gompertz, 2003-07-30 This fast paced novel sheds new light on the story of Jesus and his times You will meet JESUS who was born lived and died as a Jew who drew on his Jewish tradition who taught the love of man and God and who saw himself as the Messiah JUDAS who believed in Jesus from start to finish who became trapped in a political power play and who still believed desperately that he was helping Jesus bring the New Heaven and the New Earth into being BARABBAS head of the Zealots who believed in violence against Rome MARY MAGDALENE a prostitute who offered Judas her kind of love while he offered her a different kind of love CAIAPHAS the High Priest who was under total control of Pontius Pilate the Roman procurator RABBI GAMALIEL head of the Sanhedrin who would not deliver Jesus or any innocent Jew to death PONTIUS PILATE who saw Jesus as a threat to Rome and schemed his death Rolf Gompertz an observant practicing Jew who fled Nazi Germany with his parents says I wanted to create understanding between Jews and Christians so we may live together side by side respectful of one another in dignity and peace      *To Life! To Love!* Rolf Gompertz, 2005 *To Life To Love* In Poetry and Prose is an exhilarating journey through the four seasons of life Spring Summer Autumn and Winter that speaks to heart mind and soul Poetry To God how simple s the reward He gives To us my love how godly is our kiss from Love Here lies the triumph Take what s to you given And mold of it your paradise your heaven from The Triumph Prose When in conflict between ideology and our humanity We must choose humanity from Return to Germany Kristallnacht Nov 9 1938 88 When all is said and done there is only one answer left Love and Reconciliation from Return to Germany Kristallnacht Nov 9 1938 88 Every end is a new beginning Let us transform our lives again and again and again from A Celebration of Life Transformation is the creative answer to pain suffering and evil We can triumph over these by making them serve life from A Celebration of Life We are more than we think we are We are sparks of spirit sailing through the universe We are here to love and serve God in whatever way we can through the love and service of our fellow human beings from A Celebration of Life      *Israel My Inheritance* Raymond Robert Fischer, 2011 In this narrative nonfiction *Israel My Inheritance* author theologian and born again Jew Raymond Robert Fischer traces the non fictional history of religious discrimination and persecution imposed upon Jewish believers in Yeshua from the first century to modern times Follow the intriguing story of Hannah Miles Silberman and her family from the Holocaust to contemporary Israel This compelling story comprised of fictional and non fictional characters details historically accurate events Throughout Hannah s story nonfiction segments are interweaved providing the real life backdrop for the story      The Remnants Reinhold J.E. Lohsen, 2018-10-17 *The Remnants* tells how Jewish composer and Shoah Holocaust survivor A Peter Gary was captured by the Nazis at age seventeen and incarcerated in three concentration camps during WWII As well it tells the touching story of Peter s friendship with two former members of the Hitler Youth all in their late eighties Friends with all three the author project managed the Premi re of Peter s Oratorio A

20th Century Passion performed in Israel by a world renowned conductor the crowning achievement of Peter's early years of suffering under the Nazi Dictatorship A dramatic reading of his Libretto about the Shoah was performed by graduating students at several high schools The book also argues for an alternative view of Judas's role in history in line with a number of scholars and theologians It delves into biblical translation problems and Christianity's burying of its Jewish roots always with a hope for a Judeo Christian reconciliation The Relentless Jew Bill Manning, 2014 Learn how a modern day world may benefit from an event that occurred more than 2000 years ago How can all nations learn to trust each other in this world of no trust *Christianity After Auschwitz* Paul R. Carlson, EdD, 2000-06-14 There is an old Jewish adage that pretty much sums up Israel's experience among the nations for the last 2 000 years Scratch a gentile the saying goes and you're sure to find an anti Semite That notion is given credence by the fact that the first two millennia of the Jewish Christian encounter culminated in the systematic slaughter of six million Jews in the heart of Christendom But Dr Paul R Carlson author of *Christianity After Auschwitz* is cautiously optimistic that the dawn of this new millennium may lead to Jewish Christian amity as the Church faces up to its past sins and seeks to work with the Synagogue against those demonic forces which threaten civilization itself However as Carlson illustrates the genocidal germ that gave birth to Hitler's criminal regime still flourishes among countless Christians many of whom would passionately deny they harbor any anti Semitic notions or sentiments While the book is addressed primarily to Carlson's fellow evangelicals both Jews and Christians will discover that it provides the general reader with an overview of those critical issues which scholars alone have in the past wrestled with in the post Holocaust Jewish Christian encounter At the outset Carlson is quick to concede that the late Rabbi Joseph B Soloveitchik a scion of the great Chechnowa Rebbe was certainly correct when he insisted that Christians have never tried to penetrate the soul of the Jews They have read the Bible but neglected the oral tradition by which we interpret it he noted This makes a different Bible altogether For example says Rav Soloveitchik To equate Judaism with legalism the way Christian theologians are prone to do is like equating mathematics with a compilation of mathematical equations By the same token old stereotypes die hard The Jew has been pictured as the arch capitalist and the arch Bolshevik and chastised for being both whipsawed by contending forces says Nathan C Belth The Soviet authorities saw Jews as a threat to the state and Alexander Solzhenitsyn who castigated Soviet terror sees Jews as libertarians who brought on socialism after of course rejecting Christ Since time immemorial anti Semites have also portrayed the Jew as the greedy shady businessman or banker But they conveniently forget stories such as that of Haym Salomon 1740 1785 the Jewish broker whose financial aid staved off starvation and desertion among American troops during our War for Independence At one critical point Robert Morris the American financier and statesman sent a messenger to alert Haym Salomon of the plight of the cash strapped Colonial forces The man brought the news to Salomon while he was attending Yom Kippur services at Mikveh Israel Synagogue in Philadelphia The congregation was shocked at the intrusion on the holiest day of the Jewish year but Haym Salomon quietly informed the

messenger Tell Mr Morris our country s appeal will not be in vain But that old canard about Jews and their money remains grist for the anti Semite s mill By the same token Jews have not been entirely blameless when it comes to their own stereotypes of Christians particularly evangelicals Nathan Perlmutter confessed as much during his tenure as national director of the Anti Defamation League ADL of B nai B rith Our image of the fundamentalist and the evangelical is a kind of collage assembled out of bits and pieces from Theodore Dreiser Sinclair Lewis and Erskine Caldwell he admitted Even after all this time memories of the great swarm of sex ridden Bible thumping caricatures continue to exert a pervasive power But evangelicals would be among the first to admit that Jews have come a long way since the days of the infamous Toledot Yeshu or Life of Jesus which depicted the Galilean in scandalous terms Indeed the Israeli author Shalom Ben Chorin is representative of those Jewish intellectuals who now believe that it is time for Jesus to come home again Meanwhile few Christians realize just how vulnerable many Jews feel in what they perceive to be Christian America That perception is heightened by the 1992 American Jewish Year Book finding that roughly 12 percent of Americans of Jewish heritage are now Christians There is another way of looking at what I have called a disaster in the making says former US Assistant Secretary of State Elliott Abrams author of Faith or Fear How Jews Can Survive in a Christian America Of the 6 8 million people who are Jews or of Jewish descent 1 1 million say they have no religion and 1 3 million have joined another religion adding up to 2 4 million Abrams observes This means that one third of the people in America of Jewish ethnic origin no longer report Judaism as their current religion Abrams italics Such statistics illustrate why Jewish leaders unanimously condemn those Christian missionary agencies which specifically target Jews for conversion They have been particularly incensed by one recent evangelical effort known as Peace 2000 which aimed to convert every Jew in Israel to Christianity by the dawn of the new millennium Centuries of martyrdom are the price which the Jewish people has paid for survival says Brandeis scholar Marshall Sklare And the apostate at one stroke makes a mockery of Jewish history But if the convert is contemptible in Jewish eyes Sklare adds the missionary all the more the missionary of Jewish descent is seen as pernicious for he forces the Jew to relive the history of his martyrdom all the while pressing the claim that in approaching the Jew he does so out of love What kind of love is it Jews wonder that would deprive a man of his heritage Sklare asks Furthermore given the history of Christian treatment of the Jews would it not seem time at last to recognize that the Jew has paid his dues and earned the right to be protected from obliteration by Christian love as well as destruction by Christian hate The distinguished Rabbi Abraham Joshua Heschel was even more pointed about the matter I had rather enter Auschwitz he once remarked than be an object of conversion All of this leads to the opening chapter of Christianity After Auschwitz which introduces Christians to Emil Fackenheim s Eleventh Commandment or 614th Mitzvoth which decrees that Jews are not permitted to grant Hitler any posthumous victories through intermarriage assimilation or conversion to a faith not their own In a word they are commanded to remain Jews By the same token Jewish scholars are quick to recognize that any open and honest dialogue will

at some point involve a frank discussion of the similarities and differences between the Jewish and Christian perceptions of the Messianic hope. With that understanding, the second chapter deals with the remarkable career of the late Rabbi Menachem Mendel Schneerson, the seventh and last Grand Rebbe of the Chabad Lubavitch Hasidim. Many of his talmidim or disciples believe he will ultimately be revealed as King Messiah. His life and work are considered within the context of that of Jesus of Nazareth, as well as those of several pseudo-messiahs who have troubled Israel down through the centuries. The author then makes it clear that Jesus himself

**Comfort Ye My People: the Church's Mandate Toward Israel and the Jewish People** Dr. Martha J. Smith, 2012-10-26

The opposite of love is not hate. The opposite of love is indifference. Elie Wiesel, Holocaust survivor, Author and Nobel Peace Prize Laureate. The predominant attitude over the past 1,700 years among Christians toward Jews has been both indifference and hatred. The decision of the First Nicaean Council to abandon the traditional Christian Passover for Roman Easter began the divorce of the church from its Jewish roots. This decree was followed by an onslaught of Jewish suffering at the hands of Christians: the blood libel fallacy, the Inquisition, Martin Luther's invectives against the Jews, countless pogroms in the name of Christ, and the formation of the German Evangelical Church, the puppet church which Hitler used to create an Aryan version of Christianity devoid of its Jewish roots. This resulted in the murder of over six million Jews in the Holocaust while the majority of the Church silently watched. The Church's legacy throughout the centuries is covered with innocent Jewish blood. In this treatise, Dr. Smith explores Anti-Semitism in the Church from the time of the Emperor Constantine to the present. Eye-witness accounts by Jewish Holocaust survivors and leaders of the Resistance. Current threats to Israel and the Diaspora due to an upsurge of anti-Semitism. The roots and consequences of replacement theology in the church. *Comfort Ye My People* is a source book for information on anti-Semitism in Church history and in the world today, as well as a spiritual analysis of implications arising from the divorce of Christianity from its Jewish roots. A commissioning is offered to those who would receive it: to comfort my people, to support and to speak out for the welfare of Israel and the Jewish people. A must read. This is the definitive book to be read in the times in which we live, to be fully aware of what is happening and has happened behind the scenes.
