My Journey To Freedom:

My Journey to Freedom Judith K. Lowe, 2005-03-10 *My Journey to Freedom* is a tale of a young girl growing up in war torn Romania and her trials and efforts to become a physician and practice medicine in communist Romania and free America On her plane flight to freedom she reflects on the difficult years as a young girl growing up in Romania during turbulent times Born to two Jewish physicians her comfortable life is soon shattered by war Initially the hardships of rationing give way to the terror of Jewish persecution and the destruction of combat After the war she becomes a doctor and is sent to a country practice in a nation now under communist control She vividly recounts her practice of medicine under difficult bureaucratic and sometimes primitive conditions Her story is peppered with heart wrenching medical cases about trying to provide optimal health care under these difficult circumstances Finally arriving in America she pursues her desire to continue her professional practice and recounts her struggle to achieve this goal Again the personal medical stories help demonstrate that her passion and dedication she showed in Romania are carried to her new country Her new family of patients though of different means shows adulation very similar to the more country peasants Though there are many stark contrasts between her practice under communist rule and that of her American practice there is a similarity of physician dedication and effort and in return the patients appreciation and gratitude I much enjoyed this book and found it very entertaining and well done It was quite interesting to see the ravages of WWII through a young Jewish girls eyes I especially liked reading about the specific medical cases and viewing them in the context of the hardships frustrations and challenges brought about the practice of medicine in an isolated rural area under communist rule I also took pleasure in learning about the contrasts and similarities in the medical care and technology in a communist controlled relatively primitive area and time versus that of modern treatment in America I delighted in the revelations that despite stark differences between these two settings doctor dedication and patient gratitude remains reassuringly very similar Jeffrey Hahn M D Diplomate in Internal Medicine and Endocrinology

My Journey To Freedom Mattie Mullet, 2012-05-01 I hope this book helps clear up the general population s misconceptions and confusion about the Amish I have read or heard things that aren t true or even near the whole truth This book is not written to harm anyone but to provide information so that others might better understand how to help Amish people There will be things written that don t apply to every community but it s very real and true in the communities I lived in I was born from generations of Amish and at age 51 I did the unthinkable I left everything I had ever known That would ve been impossible to do with all the shunning If it hadn t been for my precious Jesus I would have never found the strength to leave all that I d ever known Now it is my heart s sincere desire that everybody come to the saving knowledge of Jesus Christ and experience the joy of salvation and that includes my loved ones the Amish *My Journey to Freedom* Patty Sanders, 2021-08-05 What she doesn t know is that she is waking up to a nightmare that will change her normal to living in hell s kitchen What is worse knowing what you lost or begging for something you can never have again

The Dirt Beneath Our Door Pamela Jones,2025-09-09 For fans of *Educated* and *The Sound of Gravel* *The Dirt Beneath Our Door* tells the remarkable and inspirational story of how a mother escaped a fundamentalist Mormon cult with her eight youngest children only to struggle with newfound freedom in an America she barely knew Sixty one siblings Five sister wives Nine children And one carefully hidden dream To escape the violent misogynistic fundamentalist Mormon cult that kept Pamela Jones perpetually pregnant broken and brutalized Today Pamela Jones is a self made millionaire and successful CEO But growing up she never could have imagined her life would turn out that way From a young age she was told her only purpose in life was to be her husband s handmaid and bear him as many children as possible While she endured fear poverty deprivation and abuse her family constantly moved between rural desert compounds in the United States and Mexico one

step ahead of the law and one step ahead of Ervil LeBaron aka The Mormon Charles Manson the cult's frightening leader whose brutal blood atonements left a trail of bodies in his wake By the time she was newly married at fifteen Pamela's husband forbade her any contact with outsiders including her own family She'd been raised to believe that her throat would be slit and her blood sprinkled on the soil if she ever tried to escape But in 2000 at age thirty four she knew that if she and her children didn't escape they would die The Dirt Beneath the Door follows their desperate flight across the Mexican border with only the clothes on their backs two vehicles and two tanks of gas a five dollar bill and two credit cards her husband had secretly taken out in her name Once settling in Minnesota Pamela must use her own resilience and grit as a mother to support her children and build an independent life for her family with less than a fifth grade education all while exploring the life and liberties that had been denied to her for so long An unforgettable testament to the power of hope and resilience The Dirt Beneath Our Door is an epic and harrowing tale of finding freedom believing in yourself and achieving the American Dream
