My Kind Of Garden

Richard Brown

My Kind Of Garden:

My Kind of Garden David Hicks,1999 The late David Hicks is one of the great designers of the twentieth century He is primarily known for My Kind of Garden Richard Brown,1997 As a photographer Richard Brown has spent countless hours in the world s grandest and most beautiful gardens While working in these breathtaking locations he began to make a wish list of what would go into his ideal garden But when he tried to recreate those elements on his modest property in northern Vermont the plants didn t survive and the design looked out of place Gradually as he has discovered what he cannot do and what he can learn from others he has begun to create an immensely satisfactory personal landscape *My Kind of Garden* is a book that both delights and inspires with its glorious garden photography and that shows us in a practical way how to make a beautiful personal garden **Listen to Your Garden** Jim Warren,2016-12-19 The stories in this book describe a personal encounter with the broader environment of the garden Nature becomes this book and Human Nature becomes the story These stories will show you how the garden can speak to you that you can have an intimate relationship with it from your bicameral brain The stories describe plaintive and enthusiastic reports from the garden that the author has faithfully translated By the end of this book you will know that nothing is ever exactly as it seems neither in the garden nor in life The stories in this book stress the magic the garden displays that the seemingly ordinary is always extraordinary It becomes when living life as part of the garden that we seek to know the hidden dimensions While often translated as a fable or a parable or an allegory what is sought after is revealed in real events As the author I am a simple garden scribe *Color on the Land* Irene I. Luethge,2005-07 **Paths of Desire** Dominique Browning,2005-02-08 Traces the author s endeavors to restore and recreate her suburban garden an effort during which she combated pests neighborhood ecological limitations and other elements while discovering the joys of organic gardening Notes from the Garden Ruth Petrie,2012-06-05 This charming guide gathers together writings on all aspects of British gardening from the nineteenth century plant hunters such as China Wilson and the Veitches who brought seeds and specimens from every corner of the world to the designers such as Capability Brown and Gertrude Jekyll who set their mark on gardening styles In pieces written by the paper s stellar list of gardening correspondents Vita Sackville West Penelope Hobhouse Monty Don Carol Klein not to mention Christopher Lloyd the grand old man of British gardening it explores our dedication to the growing garden And with stories about the restoration of the Lost Gardens of Heligan the building of the great glasshouses at Chatsworth and the preservation work carried out at Kew it paints a picture of how history can be unearthed through gardening and emphasises how important it is to preserve our green fingered heritage Coming right up to the present day with pieces on the advances at the Eden project *Notes on the Garden* is the perfect bedside companion for anyone who loves the feeling of soil between their fingers **Shifty's War** Marcus Brotherton,2011-05-03 From D Day to the Battle of the Bulge and more here is the authorized biography of one of the most celebrated paratroopers of Easy Company Sergeant Shifty Powers the legendary sharpshooter from the Band of

Brothers Look for the Band of Brothers miniseries now available to stream on Netflix As a boy Darrell Shifty Powers's goal was to become the best rifle shot he could be His father trained him to listen to the woods to see without his eyes Little did Shifty know his finely tuned skills would one day save his life and the lives of his fellow paratroopers As one of the original men who trained at Camp Toccoa Georgia Shifty was one out of only two soldiers in Easy Company to initially earn the coveted expert marksman designation He parachuted into France on D day and fought for a month in Normandy eighty days in Holland thirty nine in the harshly cold winter of Bastogne and for nearly thirty more near Haguenau France and the Ruhr pocket in Germany Shifty's War is a tale of heroism and adventure of a soldier's blood filled days fighting his way from the shores of France to the heartland of Germany and the epic story of how one man's skills as a sharpshooter and engagingly unassuming personality propelled him to a life greater than he could have ever imagined
