

A scenic view of a mountain valley. On the left, a steep, rocky mountain peak rises sharply. The valley floor is visible, with a river or stream winding through it. In the distance, more mountains are visible under a hazy sky. The overall atmosphere is peaceful and majestic.

A good life is a collection
of happy memories.

My Life A Collection Of Memories:

My Life Alison Bing, 2004 *The Last Templar Collection: Volume 1* Michael Jecks, 2015-02-12 Escape into the evocative medieval world of Sir Baldwin de Furnhill and his friend Bailiff Simon Puttock as you join them on the suspenseful trail of three murder mysteries The Knights Templar Collection brings together three engrossing novels in the widely acclaimed and much loved Knights Templar series by Michael Jecks Perfect for fans of C J Sansom and Bernard Cornwell The Mad Monk of Gidleigh Book 14 As the winter of 1323 descends on Dartmoor who could blame the young priest Father Mark for seeking affection from the miller's daughter Mary But when Mary and her unborn child are found dead Mark is the obvious suspect Called to investigate Sir Baldwin de Furnhill and his friend Bailiff Simon Puttock soon begin to have their doubts And by the time their search is over life will never be quite the same again The Templar's Penance Book 15 It is the summer of 1323 and Sir Baldwin de Furnhill and Bailiff Simon Puttock have been granted leave to go on pilgrimage When a beautiful girl is found murdered on a hillside en route to Santiago de Compostela the friends are among the first on the scene As Baldwin and Simon lend their skills to the inquiry the unexpected appearance of a face from Baldwin's past could threaten the investigation as well as the future of Baldwin himself The Outlaws of Ennor Book 16 On return from pilgrimage Sir Baldwin de Furnhill and Bailiff Simon Puttock's ship is attacked by pirates and Simon sees Baldwin washed overboard On the island of Ennor Simon must investigate the murder of the island's hated tax collector while unbeknownst to his friend Baldwin begins to unpick the same murder on the other side of the island Can the pair uncover the truth in time to prevent certain massacre What readers are saying about The Knights Templar mysteries Michael Jecks is one of the best medieval writers of our times His two main characters come alive in the imagination when you're reading them The characters are richly drawn and weave in and out of the events of the early 14th century with Michael Jecks showing great knowledge of the times Good introduction to the series **Memoirs of a Born Adventurer** D. Thomas Gochenour, 2024-06-27 At the end of his illustrious career as an international adventurer and soldier of fortune Lord Higford decided he needed to write his memoirs But he decided he needed to address both his personal life and his adventures abroad describe in detail his love life as well as his battles From the start he identified the key moments in his life such as the premature death of his mother or his father's decision to send him away from home to boarding school when he was only eight years old But the most important event in Higford's young life was when a tutor at Eton took an interest in him and applied the effort to teach him to write and afterward critically introduced him to adventure literature Most important of these was the story of Jason and his quest for the Golden Fleece from Greek mythology This story captivated him and drove him to read the life adventures of England's greatest soldiers and adventurers including Sir Richard Burton Winston Churchill and Fitzroy Maclean Inspired by these works Higford decided that his life's work would also be that of an explorer adventurer soldier and fighter for the British Empire Instead of going to Oxford he joined the SAS England's elite fighting force and was sent to all corners of the world to

fight anti colonial insurgencies His career culminated in the quick war against the Argentines in the Falklands It was a war that ended his SAS career as well as spelled the end of his marriage Afterward he participated as a mercenary several times in Africa and decided it was better to run mercenaries than to be one so he established one of the world s first private military companies supplying mercenaries to causes and regimes in Africa and Asia This was how he stumbled onto his final greatest and most notorious adventure one that nearly cost him his life his career his fortune and his rank as an English peer
