My Life As A Christian:

My Life for Yours Douglas Wilson, 2004-01-01 How does life in each room of your home manifest the Gospel The Christian gospel isn't just a spiritual reality The Word became flesh and bone and the gospel becomes our porch dining room bedroom and kitchen The driving desire of the gospel is my life for yours Our desire should be to have this love transform everything we do room by room This book works its way through every part of the house examining each part in light of Scripture The claims of God are always total and this is evident on the doorposts and in a sink full of dishes Self centeredness destroys in monotonously similar ways Giving up life for another produces a harvest of kindness and mercy Household questions should always begin with is this my life for yours

Inside Evangelicalism Mark Ward Sr., 2024-12-15 In Inside Evangelicalism Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism's one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of ordered social relations enacted through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward's positionality as both an ethnographer of religious communication who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him uniquely qualified to cast an insider's critical yet balanced eye on conservative white Christian culture Inside Evangelicalism complements existing scholarship within anthropology and sociology where

evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication

Dickerson,2020-06-08 Speaking in and to a culture that worships power and comfort while cultivating fear as a manipulative tool Matthew Dickerson offers a transformative alternative authentic discipleship and disciple making What does it mean to live as disciples of Christ what would it look like to be transformed by the Holy Spirit and how can we be open to that transformation How can a follower of Christ live as salt

and light in the midst of a power hungry fear mongering society And how can we both teach and model that disciple life as we obey Christ s command to make disciples In the tradition of spiritual theology and formation Disciple Making in a Culture of Power Comfort and Fear draws deeply from Paul s Second Epistle to Timothy viewed as a reflection on Jesus great disciple making commission as well as on Dickerson s own experiences in disciple making ministry on college campuses and his local church Dickerson s writing is deeply informed by Scriptures by the works of such important Christian thinkers theologians and writers as Eugene Peterson John Stott and Richard Foster and also by the literature of C S Lewis and J R R Tolkien whose works he has been teaching and writing about for more than thirty years **The Epworth Herald ,1892 A**

Young Person's Guide to Christianity R. Douglas Wardrop,2014-09-20 R Douglas Wardrop believes that most books describing Christianity are filled with errors and are boring This book is biblically accurate and is never boring It uses strong graphics and colorful presentations combined with simple language It is also fairly short and can be read through quickly A Young Person s Guide to Christianity provides a fairly complete description of Christianity and will appeal to young people from about seven years old to late teens The book guides them on how to become born again Christians Key Christianity beliefs are defined and important questions are answered in a way that is biblically accurate The Greatness of God is described in two ways 1 Using items such as a bowling ball grass sand and a mustard seed strong image ideas are given to show how vast God s creation is 2 Using scientific information for distances within our solar system the time taken for the fastest jet airliner and light to traverse these distances is shown in a strong graphical way These distances begin with the distance from New York to London and end with the distance from the Earth to the sun Again the aim is to show how vast is God s creation God s main promises to you are given with the main aim to make these promises real and personal to you A Young Person s Guide to Christianity defines how you can begin your Christian life and a prayer for this is included

Morning and Evening Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God
