My Life As I Remember It:

My Life - As I Remember It David R. Wilson, 2012-09 A mature intelligent everyday person Dianne Stewart has read *My Life As I Remember It* and *Time Tested Thinking As It Seems to Me* Her succinct observation is I think both books are extremely valuable One is the story of a man his life his ups and downs and his abiding faith in an abiding God the other what this man has learned and experienced with that same God *My Life as I Remember It* Billy D. Smith, 2009-10-30 In writing my book I tried to the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama Even though times were hard then I feel very fortunate to have grown up during that time and in that place I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life I also had some great teachers which I am thankful for knowing Most of our teachers loved us and tried to help when they could to prepare for our future All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years **"King David: 'My Life as I Remember It'"** R. Furman Kenney, 2011-07-22 This book portrays the life of the great King David from a first person viewpoint Thus it enables the reader to see the life and times of King David as though he were on the scene It paints a verbal portrait of King David in a warts and all way that is it tells of his strengths and weaknesses Some of the high points in his life such as slaying the giant Goliath his sin of adultery with the beautiful Bathsheba fleeing from the army of his rebellious son Absalom are vividly portrayed from his own viewpoint This book is designed to enable the reader to understand how King David became known as a man after God's own heart **How to remember EVERY DAY of your life** Sidney Chan, 2018-06-20 A step by step tutorial to creating a Mental Diary How much do you remember about yesterday What was the weather like and what did you do Did you know that there are people in the world who can remember not only yesterday but every single day prior to that These people all share the condition hyperthymesia which allows them to never forget What if I told you that your memory could be this good Remembering every day is a superpower that you too can acquire using this memory technique Mental Diary Let me show you how *My Life's Treasures...* Kathleen Luksza Morrissey, 2011-05-13 I used to love writing poetry and short stories back in high school St Teresas Academy East St Louis IL Class of 73 And I hadn't written anything since I got married right after graduating started a family and went to work And then there were some major changes in my life After thirty five years of marriage my wonderful husband Jack was taken from me He did not survive cancer I fell in love again suffered a broken heart at my age can you believe it lost my niece and friend Patti to cancer lost my dear friend Laura to a car accident met a new fella and then lost my dear son Terry who died suddenly in a motorcycle accident Through it all I've found that writing it down has saved my sanity and sometimes documented my insanity as you will no doubt observe

Included here are a few poems from my high school days most much more recent as well as a few submissions from my son Shaun my sister Melissa and my good friend Jim Hope you feel it and enjoy **My Life** Dick Craig,2018-11-01 We all have a story to tell They are all unique No two are the same Each is special they are full of memories of learning experiences of things encountered along the waysome tragic and difficult some fascinating and exciting Certainly each story is valuable to someone Life stories are full of mentors both good and bad people with tremendous influence who perhaps changed the pathway of one s life I have had many mentors over the years You will read about them My Life Does It Really Matter is my story I loved writing it As the distant memories came together in my mind the details took shape and often I was taken back to the moment and the emotions took over As I wrote my story I realized that there was a thread that wound through the years that held me together and brought me along the way You can have the same thread It will change your life Insight One day at Starbucks Dick Craig told his career story to some of us friends An underlying theme in his life story stood out God was working in Dick Craig s life from way back then and clearly all the way through The truth shouts out So now Dick had captured the story on paper hence family friends and everyone else can grasp that careful involvement Dick s story reveals many lessons From a distance we also get an insight Many things happen for a reason and a purpose even when we don t see it at the time Our heavenly Parent is nurturing us for eternity Many readers will have felt God s involvement in their life If not this book may now awaken their awareness Dennis O Neill Business Growth Coach Niagara On The Lake Ontario Canada

Loomis,2010 Wars are started by a person or persons and are usually a quest for power for a person or a group of people and they don t really care how many people are killed nor how many families are losing a father mother or brothers or whole families and their relatives Sometimes it is necessary to start a war by a peaceful nation against countries tat are harming and have the publically displayed their intentions to extend their borders by taking land from established country s land and people This I would consider declaring a war to be the only necessary solution to the problem but still a war with

people getting maimed and killed In World War One Germany was the problem once again lust for power I wasn't even thought of at that period of time in fact I hadn't even arrived on the scene at that point of time But think about it for a moment there's not one inch of land that has increased in size in those thousands of years of civilization and wars I was a training in Camp Blanding in Florida we could look in any direction and there was a sign posted in large letters Kill or Be Killed Kill or Be Killed We were just 18 or 19 year old kids think about it Kill or Be Killed what an education but necessary to imprint it inside our young brains It gave us young kids a reason to become killers hesitate for a second and you're dead Back then in training we used to repeat over and over was that wars were necessary to Decrease The Surplus Population It is most certainly a true statement Contemplations Through The Fog of my Life Joseph Lange, 2018-10-10 Contemplation s through the Fog of My Life is the third book in the Thoughts trilogy and follows Thoughts from a Treestand and Wisdom s Harvest East of Smallville The trilogy contains thoughts and observations from a lifetime of living in a small rural Wisconsin hamlet along with nine brothers and sisters and a single mother We were rich in love and grew up with the knowledge of what is important in this life and what is not Be careful out there
