Documents of the City of Boston Boston (Mass.). City Council,1906 *Annual Report of the Cemetery Department of the City of Boston for the Fiscal Year ...* ,1904 *A History of the Old Town of Stratford and the City of Bridgeport, Connecticut* Samuel Orcutt,1886 **The People's Tycoon** Steven Watts,2009-03-04 How a Michigan farm boy became the richest man in America is a classic almost mythic tale but never before has Henry Ford s outsized genius been brought to life so vividly as it is in this engaging and superbly researched biography The real Henry Ford was a tangle of contradictions He set off the consumer revolution by producing a car affordable to the masses all the while lamenting the moral toll exacted by consumerism He believed in giving his workers a living wage though he was entirely opposed to union labor He had a warm and loving relationship with his wife but sired a son with another woman A rabid anti Semite he nonetheless embraced African American workers in the era of Jim Crow Uncovering the man behind the myth situating his achievements and their attendant controversies firmly within the context of early twentieth century America Watts has given us a comprehensive illuminating and fascinating biography of one of America s first mass culture celebrities **City on a Hilltop** Sara Yael Hirschhorn,2017-05-22 Since Israel s 1967 war more than 60 000 Jewish Americans have settled in the occupied territories transforming politics and sometimes committing shocking acts of terrorism Yet little is known about why they chose to live at the center of the Israeli Palestinian conflict Sara Yael Hirschhorn unsettles stereotypes about these liberal idealists *Home and International Law* Henrietta Zeffert,2024-03-26 This book is about home and international law More specifically it is about the profound and frequently devastating transformations of home that are happening almost everywhere in the world today and what international law has to do with them Through three stories of home the desert home the lake home and the city home this book traces how the everyday operations of international law shape the material affective and imaginative experience of home It argues that international law s homemaking work is characterised by acts of domination practices of resistance and the production of unhomely spaces However the book also considers whether and how the liberatory potential of international law could be unlocked through the metaphor of home This book draws from fieldwork conducted by the author in Palestine Cambodia and the United Kingdom It takes a global socio legal approach to home and international law informed by feminist political theory feminist geography home studies and contemporary critical approaches to international law It is the first academic work to examine the relationship between home and international law This book s global socio legal approach to home and international law will be of interest to those teaching and studying in international law socio legal studies legal pluralism and legal geography *Notes from the Fireground* Thomas Dunne,2020-03-05 In a 33 year career with the New York City Fire Department Tom Dunne fought hundreds of fires survived near death incidents crawled down burning hallways met unforgettable characters and witnessed the 9 11 terrorist attack From working in glittering mid Manhattan high rises to squalid ghetto tenements he saw how people in crisis lived and survived and how the firefighters

who served them worked and bonded Exploring both the positive and controversial aspects of being a firefighter this no holds barred memoir provides an honest account of an unusual occupation that outsiders seldom get to see *The Good, the Bad, & the Ugly: Kansas City Chiefs* Bill Althaus, 2007-08-01 What fans don't love to relive the good times of their favorite team Likewise in a twisted sort of way what fans can really resist a self pitying look back on some of those times that tested their allegiance Those forgettable games seasons and plays that made the good times even better The Good the Bad the Ugly presents all the best moments and personalities in the history of the Kansas City Chiefs It also un.masks but doesn't reveal in the bad the regrettably awful and the unflinchingly ugly In entertaining and unsparing fashion this book sparkles with Chiefs highlights lowlights wonderful and wacky memories legends and goats the famous and the infamous You'll relive the upset win over Minnesota in Super Bowl IV but also the Dolphins Garo Yepremian's last second field on Christmas Day to beat the Chiefs in the longest NFL game ever played The pinpoint passing of the masterful Len Dawson but also the erratic and sometimes depressing play of the late 80s Chiefs The Good the Bad the Ugly includes the best and worst Chiefs teams and players of all time the most clutch performances and performers the biggest choke jobs and chokers great comebacks and blown leads plus overrated and underrated Chiefs players and coaches There are Chiefs you loved for all the right reasons and those you couldn't stand sublime and embarrassing records and trades both savvy and savagely bad Brawls and fights Rivalries Compelling photos And much much more If you're a through thick and thin Chiefs fan The Good the Bad the Ugly is especially for you It will remind you of the good and great times and bring a knowing smile about some of those other times when you proved to yourself just how loyal you are For everyone else this warts and all portrait of the Chiefs will provide countless fond memories goose bumps and laughs
