My Life My Feelings And My Victory:

The Life of the Rev. Joseph Blanco White Joseph Blanco White, 1845 Irish Methodist reminiscences; being mainly memorials of the life and labours of S. Nicholson Edward Thomas (of Lisburn.), 1889 The Life of Nelson, by Robert Southey Tim Fulford, 2021-06-28 The Life of Nelson is one of Robert Southey's most influential and bestselling works This new edition will contain a comprehensive critical apparatus that will make sense of the major issues posed by the text and how it contributes to studies of both Southey and Romanticism The edition will feature a critical and contextual introduction which will set out the origins and composition of the text together with its publication history as well as offer a carefully considered view of the interplay between the Life and other biographies of Nelson bringing into view the wide array of sources and influences Southey drew from *Going From An Angry Man To A Peaceful Man Is Not An Easy Journey* James E. McCullough, 2021-11-10 *Going From An Angry Man To A Peaceful Man Is Not An Easy Journey* By James E McCullough When young many choices people make can lead them to become an angry person This was the case with James McCullough Like most people he could not see what had taken place within his spirit because he could no longer feel his heart He wanted to share how things make us all feel or not feel and what we can and can not see going on within ourselves because it is easier to be mad at the world rather than face our own mistakes Everyone must stop running away from themselves and stand in order to see who they may have become by seeing themselves through the eyes of others After that you must listen to yourself Then look within to ask Who does Jesus say I am and What road do I want to travel in this life and the next
