Martin Luther King, Jr. John J. Ansbro,2000-11-07 Examines his contribution as a philosopher and theologian to issues of racial and social justice and his drive to eradicate oppression through the doctrine of nonviolence LIFE Martin Luther King Jr. The Editors of LIFE, Charles Johnson, John Lewis, 2018-03-16 Fifty years after his death the principles and vision of Martin Luther King Jr continue to be a guiding light for many leaders and many Americans In a life cut far too short he was assassinated at age 39 King left a legacy through his remarkable dedication to nonviolent protest his clear righteousness and his powerful words My Life Among Humans Jed M McGowan, 2023-02-08 A nameless alien data compiler comes to Earth to study humans setting up shop on the outskirts of a small desert community in North America Working under forced labor it must watch humans in complete secrecy while sending regular reports to its manager back home Using spore like technology to read the minds of his hosts the alien quickly takes a special interest in Will one of his early subjects That interest proves to be a problem when the alien is accidentally revealed to Will's family and it takes desperate measures to save its own life In doing so it discovers a forbidden ability it can control human minds Now the alien struggles to keep this secret from its manager deal with a growing number of suspicious humans and come to terms with its

ethically questionable decisions My Life Among Humans is a beautifully painted evocative first graphic novel from illustrator and cartoonist Ied McGowan Extremists for Love J. T. Young, 2024-08-23 The histories of race and religion in America are inextricably intertwined From the antebellum South to the civil rights era and the modern BlackLivesMatter movement Christianity has played a key role It may be tempting to believe in light of the way far right politics has hijacked Christian language and ideas in recent decades that religion was used exclusively as an oppressive tool but the ways in which Christianity played a key role in active resistance to white supremacy from its earliest days cannot be overlooked Extremists for Love gives readers a critical overview of twenty central figures from the history of the black liberation struggle in the United States exposing the theological trappings of their work and what they mean for the church today Accessible in style and academic in quality this volume examines civil rights activists scholars theologians pop culture icons and collectives who either implicitly or explicitly deployed Christian ideas in their work for black liberation Georgia Women Kathleen Ann Clark, Ann Short Chirhart, 2014-07-15 Women were leading actors in twentieth century developments in Georgia yet most histories minimize their contributions The essays in the second volume of Georgia Women edited by Ann Short Chirhart and Kathleen Ann Clark vividly portray a wide array of Georgia women who played an important role in the state s history from little known Progressive Era activists to famous present day figures such as Pulitzer Prize winning author Alice Walker and former First Lady Rosalynn Carter Georgia women were instrumental to state and national politics even before they achieved suffrage and as essays on Lillian Smith Frances Pauley Coretta Scott King and others demonstrate they played a key role in twentieth century struggles over civil rights gender equality and the proper size and reach of government Georgia women s contributions have been wide ranging in the arena of arts and culture and include the works of renowned blues singer Gertrude Ma Rainey and such nationally prominent literary figures as Margaret Mitchell Carson McCullers and Flannery O Connor as well as Walker While many of the volume s essays take a fresh look at relatively well known figures readers will also have the opportunity to discover women who were vital to Georgia's history yet remain relatively obscure today such as Atlanta educator and activist Lugenia Burns Hope World War II aviator Hazel Raines entrepreneur and carpet manufacturer Catherine Evans Whitener and rural activist and author Vara A Majette Collectively the life stories portrayed in this volume deepen our understanding of the multifaceted history of not only Georgia women but also the state itself Great World House Lewis V. Baldwin, Vicki L. Crawford, 2019 Reclaiming the Great World House in the 21st Century Cross Disciplinary Explorations of the Vision of Martin Luther King Jr does just that Established and emerging scholars explore Martin Luther King Jr s global vision and his lasting relevance to a globalized rights culture The editors further explain that this edited collection looks at King afresh in his own historical context while also refocusing his legacy of ideas and social praxis in broader directions for today and tomorrow Employing King's metaphor of the great world house with major attention to racism poverty and war or what he called the evil triumvirate the focus is on King's appraisal of and approach to

the global human struggle in the 1950s and 60s and on the extent to which his social witness and praxis takes on new hues and pertinence not only in the ongoing struggles against racism poverty and economic injustice and violence and human destruction but also in the mounting efforts to eliminate problems such sexism homophobia and religious bigotry and intolerance from the global landscape The conclusion is that King s ideas and models of social protest are not only alive but also growing in vitality and popularity in the 21st century especially as humans worldwide are struggling daily with the lingering antiquated thinking and behavior around race and ethnicity the widening gap between the haves and the have nots the mounting cycles of violence torture and terrorism and the frustrating and growing chasms resulting from religious pluralism and the subordination and marginalization of certain sectors of the human family based on gender and sexuality

O. Cham, 2011-10-13 The idea that I write my memoirs came to me when I had barely begun to live in Kaufman Texas and continued all through the years But I never paid heed to the plan I was living my life intensely what need to write about it Another reason for my reluctance was the conviction I entertained that one should write about one s life only when one had ceased to stand in the very torrent of it When one has reached a good philosophic age I used to tell my friends capable of viewing the tragedies and comedies of life impersonally and detachedly particularly one s own life one is likely to create an autobiography worthwhile Still feeling adolescently young in spite of advancing years I did not consider myself competent to undertake such a task Moreover I always lacked the necessary leisure for concentrated writing I discovered much to my discomfiture that old age far from ripening wisdom and mellowness is too often fraught with senility narrowness and petty rancor I would not risk such a calamity and I began to think seriously about writing my life biography I am a very nostalgic person As long as I can remember I have enjoyed thinking about the past and how it melded into the present especially in reference to my own life and my own family history This life story is about over all my life in Africa and United States of America I had included the stories about my parents relatives what life was like for them and what they were doing when they were alive I like looking at old pictures and other mementos that help bring some of that past back to life or just evoke the spirit of the memories This story is about my childhood life I had in Ethiopia refugee camp and United States of America and my family as seen through my eyes It is my snapshot my memories to share with the world Now I do not know why anyone would be interested in my life but I hope a few people especially family will find it interesting and to help keep it interesting I promise to keep chapters and stories short concise and to the point After all nothing is more boring than someone's tedious diatribe about something so entirely mundane If you get to that point just skip to another story and just try to find something interesting and of value to you If you still can t find anything of value in the reading then I apologize but still thank you for trying As for me I believed I had more fun writing this than anyone would ever have reading it Game of My Life: Dallas Cowboys Jean-Jacques Taylor, 2006 Game of My Life Dallas Cowboys takes you inside the most memorable game of 24 players and of head coach Jimmy Johnson that earned each of them a place in the history and lore of America s Team Each chapter provides colorful detail on the player's favorite game and its significance to the history of one of the world's most recognized franchises Learn how these men joined the Cowboys fraternity Recount with them the mood of the team and of each player leading up to his memorable moment and his thoughts on the game told in his own words as well as how his career fared and what he is doing today Listen to Hall of Fame running back Tony Dorsett describe how he almost missed the game in which he turned in the most prolific performance of his career and learn how Emmitt Smith the NFL s all time leading rusher learned to play with pain and how that helped him lead Dallas to a division clinching win over the New York Giants despite a dislocated shoulder Hall of Fame guarterback Roger Staubach talks about his frustration with coach Tom Landry shuffling him in and out of the lineup and Hall of Fame defensive tackle Randy White remembers the transition

out of college linebacker Hall of Fame quarterback Troy Aikman relives his most emotional moment on the football field and receiver Drew Pearson talks about the infamous Hail Mary Receiver Tony Hill relives a thrilling 31 30 comeback win over the rival Washington Redskins on Monday Night Football Safety James Washington talks about his heroic performance in Super Bowl XXVIII and little known running back Paul Palmer discusses his role in coach Jimmy Johnson's first NFL victory Other story standouts include those of cornerback Deion Sanders Ring of Honor linebacker Chuck Howley Super Bowl XXX MVP Larry Brown Ring of Honor running back Don Perkins Hall of Fame defensive tackle Bob Lilly and special teams star Bill Bates among others The Seasons of My Life Jacquelyn Shepard, 2003-02-16 This lively autobiography begins with the gene pool of parents grandparents and great grandparents. The author's eventful life proceeds from her birth in 1926 through the Great Depression evacuation from China as a child and later witnessed the Japanese attack on Pearl Harbor After World War II Jacquelyn her husband and two small children lived on a primitive homestead in Canada for one year Five children later and forty years old she was widowed and followed her lifelong dream to see Alaska Jacquelyn moved to the last frontier in the frozen north and found a husband Widowed again she returned to California earned a Bachelor's Degree and pursued training as a chaplain Married a third time she has made her home in Tuolumne County California In entertaining and humorous narration the author has provided personal vignettes from her interesting siblings and children My Life: The Early Years Bill Clinton, 2005-05-31 1 New York Times Bestseller President Bill Clinton's My Life is the strikingly candid portrait of a global leader who decided early in life to devote his intellectual and political gifts and his extraordinary capacity for hard work to serving the public My Life The Early Years Volume I shows us the progress of a remarkable American who through his own enormous energies and efforts fueled by an impassioned interest int he political process made the unlikely journey from his birth in hope Arkansas to his election as the 42nd President of the United States Also available My Life The Presential Years Volume II
