The Reality of My Life Mark Benoit, 2012-02 The reason why I wrote *The Reality Of My Life* is to explain to the world what I went through as a should and how impossible it seem during my growth and development for me to achieve my success educationally I often wondered why I should go through all these pains as a child and why was I so despised by my mother who should be loving protecting and guiding me to the best of her ability There were times that I felt all hope was going away from me but through the power of the Almighty God I got the aspiration to change the negative aspect of my life into positivity While going through the pressures of life I had no to turn to At nine years my older brother became my mentor and the principles he taught me never left me although it was for only one year Today I can say to the world that I have a voice and I hope anyone will be encouraged by my ability to fight and win
