Julia Whelan author of My Oxford Year Shakespearean actor Will and financial analyst Kate aren't exactly star crossed lovers but despite intense attraction they can't ever seem to stay together very long Set within the Boston theater community and the equally dramatic world of high stakes consulting Grey's wry charming and compulsively readable first novel demonstrates that when it comes to romance falling in love is only the beginning Dana Sachs author of The Secret of the Nightingale Palace This is my first book by Karen Grey and I'm hooked Rellim Reads This is a fabulous read that'll take you back in time make you swoon and serve you with a heavy dose of nostalgia Smart escapism at its finest Five bitchin stars for What I'm Looking For The Rogue Reviews An excellent read that gave me all the feels and put a smile on my face at the end I highly recommend it for all fans of contemporary ish romance and romantic comedy Laurie Reads Romance Kate and Will share a sizzling attraction and complex connection giving me all the feels in this timeless romance That's What I'm Talking About Set in the 1980s this funny yet warmhearted character driven tale checks all the boxes for classy contemporary romance while providing the longed for something different readers seek out It's smart It's sexy It's sophisticated romance at its best Lea Hensley Audiogals I grew up in the 80's and so I am glad that Karen Grey decided to make a romance series based in the 80's as it was rather nostalgic Just look at that cover phones with cords Books Movies Reviews Oh My A very character driven book that took me back to when I was just starting out in the workforce in the mid 1980's one of the best decades Take a trip back in time when people actually left messages on answering machines before texting was a thing and enjoy Comfy Chair Books I would recommend this book to fans of romance I thought that Will and Kate were both fantastic characters and I had a great time with their story I wouldn't hesitate to read more of Karen Grey's work in the future Carol's Random Life in Books A well crafted romance set in the 1980s between two characters who seem to exist in separate worlds yet can't deny their attraction to each other Christie Bookbub When a Shakespeare actor meets a financial analyst in the eighties and answering machine messages caption chapters it's a recipe for romcom genius What I'm Looking For is a unique witty nostalgia filled romcom that made me laugh all day Liz Bookbub A must read fascinating Rom Com with a wonderful storyline Goodreads review Eighties nostalgic romantic comedy and answerphone messages that open every chapter what's not to love about this book Goodreads review A unique witty nostalgia filled romcom that made me laugh all day Goodreads review This was a really cute blast from the past I loved to read a book placed in a world where there were no cell phones available people used pagers and answering machines were a regular thing Alex Goodreads
