My "Little Bit" Marie Corelli, 2023-09-05 Reproduction of the original My Little Bit of Nonsense Charlie Walker, 2000

A Little Bit of Grace Phoebe Fox, 2020-08-11 A heartfelt story about family forgiveness and starting over when the happy ending ends and handling it all with a little bit of grace Family is everything Grace Adams McHale's mom must have said it to her a thousand times before she died Before Grace's dad ran off with an aspiring actress half his age Before only child Grace found out she was unable to have children of her own Before Brian her childhood best friend business partner and finally her husband dropped a bombshell on her in the form of her stunning new replacement Which means Grace now has nothing Until she receives a letter from a woman claiming to be a relative Grace never knew she had sending her on a journey from the childhood home she had to move back into to a Florida island to meet a total stranger who embraces her as family There Grace starts to uncover answers about the eccentric woman her family never mentioned a larger than life octogenarian who is the keeper of a secret held for more than fifty years and the ultimate inspiration to always be true to yourself As Grace gets to know this woman and picks up the pieces of her own shattered life she is forced to question whether she can find forgiveness for the unforgivable *Current Literature* ,1894 **Future directions in social**

Nature Spirits and What They Say Verena Stael von Holstein, 2019-11-06 I can perceive spiritual beings in my surroundings I can communicate with higher spirit beings of either an elemental or non elemental kind when they are willing I can perceive the human aura as well as certain areas of the astral plane I can see the aura of plants and animals I can speak with the guardian beings of plants and animals inasmuch as they're interested Verena Stael von Holstein Verena has learned to see and speak to elemental and nature beings What's more she is able to translate their language into human terminology and thought In this remarkable book seventeen nature spirits are interviewed through her almost as if these beings were sitting in front of us Through the conversations we learn what spirits of fire air water and stone have to say as well as hearing from beings of glass silver salt paper and even spirits of our dwellings and homes They speak about their work with nature and their regrettable lack of contact with human beings They describe the secrets of the cosmos and tell of humankind's past and future The nature beings have surprising views on the environment on natural disasters good and evil love and redemption The interviews throw up beautiful but sometimes disturbing insights into our world Nature Spirits and What They Say offers an enchanting view of the world of elemental beings but it also calls on us to recognize the seriousness of the situations they describe As Verena explains humans owe a huge amount to nature spirits and we need to discover new ways of approaching them with full consciousness This valuable book gives us the means to do just that Divers Vanities Arthur Morrison, 2021-11-09 In Divers Vanities Arthur Morrison offers a compelling exploration of the complexities of human nature through a series of interconnected stories set in late Victorian London The prose is characterized by Morrison's keen

observational style and rich detail blending realism with an undercurrent of social commentary Each vignette illuminates the lives of various characters from the downtrodden to the affluent all grappling with their own vanities and desires The work exemplifies the literary movement of naturalism contrasting the aspirations and realities of life against the backdrop of an emergent urban society rife with moral ambiguity Arthur Morrison a contemporary of writers like George Gissing was deeply influenced by the socioeconomic conditions of his time which fueled his empathy for the marginalized Growing up in the working class neighborhoods of East London Morrison s firsthand experiences informed his understanding of class struggles passion for the human condition and commitment to portraying life in its unvarnished form His background as a journalist also provided him with a unique perspective on societal issues further enriching his narrative style *Divers Vanities* is an essential read for those interested in the intricacies of human frailty and the societal constraints of the era Morrison s ability to weave poignant tales imbued with empathy invites readers to reflect on their own values and aspirations This book not only captivates through its storytelling but also encourages critical contemplation of the vanities that permeate human existence
