Understanding Pat Conroy Catherine Seltzer, 2015-04-15 An insightful look at the life and work of the extraordinary popular Southern writer Pat Conroy s novels and memoirs have indelibly shaped the image of the

South in the American imagination His writing has rendered the physical landscape of the South Carolina lowcountry familiar to legions of readers and has staked out a more complex geography as well one defined by domestic trauma racial anxiety religious uncertainty and cultural ambivalence In *Understanding Pat Conroy* Catherine Seltzer engages in a sustained consideration of Conroy and his work The study begins with a sketch of Conroy s biography which while fascinating in its own right is employed here to illuminate many of the motifs and characters that define his work and to locate him within southern literary tradition Seltzer then explores each of Conroy s major works tracing the evolution of the themes within and among each of his novels including *The Great Santini* *The Lords of Discipline* *The Prince of Tides* *Beach Music* and *South of Broad* and his memoirs among them *The Water Is Wide* and *My Losing Season* Seltzer s insightful close readings of Conroy s work are supplemented by interviews and archival material shedding new light on the often complex dynamics between text and context in Conroy s oeuvre More broadly *Understanding Pat Conroy* explores the ways that Conroy delights in troubling the boundaries that circumscribe the literary establishment and links his work to existing debates about the contemporary American canon

On the Eighth Day Matt Hoven, J. J. Carney, Max T. Engel, 2022-06-07 During a 1980s Edmonton Oilers game fans unveiled a banner claiming On the 8th day God created Gretzky Intersections between religious belief and sporting participation are nothing new where players coaches and fans are known to pray cross themselves and point to the heavens during a game But what should be the relationship between sports and religious faith On the Eighth Day introduces the theology of sport from a Catholic standpoint

It wrestles with sport's universal appeal, its rich symbolism, and its spiritual and moral characteristics. Sport is a place where embodied games can be sacramental, where traditions of the past speak to contemporary peoples, and where truth and justice are demanded in a world affected by sin. The eighth day recalls the playful re-creative work of God, the Creator embodied in Christ's resurrection. In this sense, this book marks out a new day in Christian attitudes toward modern sport and the continuing call to redeem sport in service of human flourishing. Comprehensive yet accessible, the book will engage thoughtful lay sports fans and academic students alike.

Sons and Fathers John Crosby, 2013-10-23. Father-son relationships can be notoriously difficult. Often fractious, sometimes hostile, and occasionally destructive, the issue of authority is negotiated by fathers and sons in a range of styles. In this fascinating new book, John Crosby describes the filial relationships of 20 historical figures to illustrate the different ways they related to their fathers and what this can tell us about love, authority, and the wider family context. *Sons and Fathers* is an approach to understanding this son-father conflict based on early life experience rather than upon psycho-historical or psycho-biographical material and theorizing. Each vignette is designed to be read as a biographical account but is bookended by a section reflecting on how each man's relationship to his father can be understood in the context of key developmental theories, in particular those of Eric Erikson and Murray Bowen's family system theory. The book also includes an extended introduction to both theorists for those unfamiliar with their work, as well as a discussion of the role of corporal punishment as a method of disciplining children. From Michael Jackson to Bing Crosby, Joseph Stalin to John F. Kennedy, this is a uniquely accessible but insightful book that will appeal to both general readers as well as students of Developmental Psychology across the lifespan, Family Studies, Marriage and Family therapy, and related subjects. It will also appeal to professionals working in the area, including social workers, counsellors, and therapists.

Wins, Losses, and Human Ties Daniel R. Gilbert, 2008. This book is about the competitive relationship involving the men who represented Moravian College, Bethlehem, Pennsylvania, and the men who represented Muhlenberg College, Allentown, Pennsylvania, in intercollegiate varsity football competition between 1958 and 2006.
