listened and absorbed other s experience strength and hope I became teachable and returned to a beautiful life After getting re married I became employable and started my own business I taught myself art painting over 500 pieces of oil paintings Attending the gym regularly has not just been healthful it has been a tremendous joy working out meeting people and socializing I am retired now living a beautiful life with my wife of 33 years and 36 years sobriety and at age 86 am fit as a fiddle I do have diabetes high blood pressure and a few other ailments however with diet exercise and following my doctor s advice and not drinking alcohol or smoking I am very active and happy Should I never have admitted I needed help and joined Alcoholics Anonymous I would not have re learned honorable living and not have continued serenity Is why I consider my alcoholism the gift that keeps on giving
