Sinatra in Hollywood Tom Santopietro, 2009-11-10 Hollywood legend Academy Award winning actor and recipient of the Golden Globe Award for lifetime achievement in film Frank Sinatra carved out one of the biggest careers in the history of Hollywood yet paradoxically his screen legacy has been overshadowed by his extraordinary achievements as a singer and recording artist Until now With the publication of Sinatra in Hollywood an analytical yet deeply personal look at the screen legend of Frank Sinatra Sinatra's standing as a significant indeed legendary screen actor has now been placed in full perspective Examining each of Sinatra's seventy film appearances in depth Tom Santopietro traces the arc of his astonishing six decade run as a film actor from his rise to stardom in boy next door musical films like Anchors Aweigh and On the Town through his fall from grace with legendary flops like The Kissing Bandit to the near mythic comeback with his Oscar winning performance in From Here to Eternity Laced throughout with Sinatra's own observations on his film work Sinatra in Hollywood deals head on with his tumultuous marriages to Ava Gardner and Mia Farrow and directly addresses the rumors of Mob involvement in Sinatra's Hollywood career Ranging from the specifics of his controversial acting nickname of One Take Charlie to the iconic Rat Pack film Ocean's Eleven from the groundbreaking performance in The Manchurian Candidate to the moving and elegiac late career roles as tough yet vulnerable detectives the myths and personal foibles are stripped away placing the focus squarely on the work Oftentimes brilliant occasionally off kilter but always compelling Frank Sinatra the film icon who registered as nothing less than emblematic of The American Century here receives his full due as the

serious artist he was the actor about whom director Billy Wilder emphatically stated Frank Sinatra is beyond talent *She Creeps* Alex Hairston,2011-01-01 In this suspenseful romantic thriller one woman longs to feel alive in every possible way You Live You Love Naomi Gaffney was only eight years old the day they found her momma s body Then the police took her daddy away Twenty one years later Naomi s father remains in jail and she s still not sure if he s guilty of a crime of passion or an innocent victim of southern justice In fact there isn t much Naomi is sure about these days And If You re Smart You Learn Raised by a cruel aunt Naomi married young to escape her bitter household But all she got was more heartache She knows she s too smart and pretty to waste away in a dead small town She aches to feel alive again Her childhood taught her that adultery can be deadly but when a handsome young man offers her everything she craves Naomi finds that some lessons are more easily learned than others A captivating tale that is sure to make readers think about the things they take for granted in relationships The Rawsistaz Reviewers **Parties** ,1929 Fallen Angel Elizabeth Thornton,2015-01-27 From the USA TODAY bestselling author I consider Elizabeth Thornton a major find Mary Balogh NEW YORK TIMES bestselling author of ONLY ENCHANTING Beautiful fiery Scotswoman Maddy Sinclair held one man responsible for the scandal and tragedy that ruined her family Viscount Deveryn better known as The Fallen Angel But when Maddy fell blindly into his powerful embrace she was unaware the man who kissed her so skillfully was her sworn enemy Now it is much too late for though her heart may be lost her will to foil Deveryn s scheme to steal her legacy is stronger than ever Deveryn had his sights set on Maddy s castle and her tempting beauty but not her affections That changed as he found himself challenged by her wit her guile and her ability to turn the tables on his best laid plans offering him a lesson in seduction that proved heaven does indeed exist on earth and that perhaps only one thing can redeem a fallen angel Yours for the Night Samantha Hunter,2012-10-16 Virtually perfect He s one click of the mouse away Raine Covington has found the perfect lover online When Jack s sexy words fly across the computer screen he can seduce her in a heartbeat The hot detailed images of them together feed her sexual fantasies The best part Raine doesn t have to make a commitment or even cook dinner for Jack No fuss no muss She can switch him off at any time So why is she feeling unsatisfied Jack s ready for the next step to meet in person He wants to make it real with Raine Their virtual relationship has left him in a constantly aroused state hungry for a taste of her lips and the touch of her skin He wants to make love all night long to the woman who s captured his heart sight unseen Except once Raine and Jack meet face to face both are surprised at the outcome Publisher **Masculinities and Hong Kong Cinema** Laikwan Pang,Day Wong,2005-03-01 This collection of exciting essays explores how the representations and the ideologies of masculinities can be productively studied in the context of Hong Kong cinema It has two objectives first to investigate the multiple meanings and manifestations of masculinities in Hong Kong cinema that compliment and contradict each other Second to analyze the social and cultural environments that make these representations possible and problematic Masculinities and Hong Kong Cinema presents a comprehensive picture of how Hong Kong mainstream cinematic

masculinities are produced within their own socio cultural discourses and how these masculinities are distributed received and transformed within the setting of the market place This volume is divided into three interrelated parts the local cinematic tradition the transnational context and reverberations and the larger production reception and mediation environments The combination of these three perspectives will reveal the dynamics and tensions between the local and the transnational between production and reception and between text and context in the gendered manifestations of Hong Kong cinema
