My Ministry Manual:

The X-Manual Peter J. Bellini, 2022-04-07 The title of the book *The X Manual* is taken from the word *exousia* from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority *exousia* to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10 19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil *The X Manual* is a practical how to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry *The X Manual* contains specific time tested biblical instructions on selecting and training a deliverance team pre deliverance work the deliverance session post deliverance work and other useful tools like the C1 13 instrument that helps determine if one needs deliverance Deliverance is essential to the church s New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free *The Uncommon Minister Manual* Mike Murdock, 2012-09 Discover Practical Keys To Increase The Excellence And Productivity of Your Ministry In This Concise Handbook This handbook answers so many of the questions that arise for those involved in church leadership Topics include 15 Keys Concerning Your Dreams And Goals 5 Keys In Giving Instructions To Your Staff 10 Reasons You Should Hear The Voice of God 4 Powerful Ways To Increase The Knowledge of Your People A Remarkable Collection of Practical Wisdom Also Available In Spanish SB 241 *El Ministro Fuera De Lo Comun* Also Available In Portuguese PB 241 *O Ministro For a Do Comum* *Manual on the Millennium* Dr. Roger W. Maslin, 2015-11-18 *Manual on the Millennium* is an examination of the viewpoints concerning the nature of the millennium and how they relate to the associated end time events The author argues for his own personal viewpoint as well as with the problems inherent in interpreting those events that are so popular with the dispensational pre millennialist views He provides a fresh examination of such subjects as the postponed kingdom the restoration of Israel rebuilding the temple the Battle of Armageddon the Antichrist and the seventy weeks of Daniel The author maintains that the arbitrary interpretation of the millennium of Revelation as a literal period of a thousand years as a whole does not fit the judgment teachings of the New Testament or the complete message of the return of Christ in context with the rest of the Scriptures The proper interpretation of the nature of the millennium is foundational to understanding the prophetic message of the New Testament This work is designed to be a valuable resource and handbook for the study of end time events for the serious Bible student **A Servant's Manual** Michael W. Foss, This short volume is a plea for Christians to rethink their point and purpose in light of larger cultural changes and a crisis in leadership Foss s model of moving from issues into conversation and then into compassion is a blueprint for new leadership *My Ministry Manual* Gerald Ambulance, Stephen Tomkins, 2002 A spoof handbook for ministers and the ministered to Christians who are happy to laugh

at themselves and at the ever so slightly bizarre things we and our spiritual overseers and gurus have been known to do in the name and for the sake of God The satire targets the excesses of each branch of the church from evangelical fundamentalism to high church ritual
