Betorah Lianos, 2016-09-28 When we started this book it was one huge pile of words They had no beginning or end Throughout the process we asked her to breathe and think about where she wanted to break them apart We hoped by taking her own words and placing them on paper that it would help in her journey of healing One day she asked if we could find someone to draw the pictures with hopes that she can help another child who is going through a similar experience It is very important to Betorah that other children know they are not alone by following through with her dreams

of helping other children through her own experiences *My Mommy Has Cancer* Holly J. Bertone, 2014-08-04 **My Mommy Has Cancer, a Journal for Me** Dana-Susan Crews, 2022-10 A journal for children ages 3-10 with helpful tips for children who have a mom with cancer. One little boy named Hunter faces a major life hurdle his mommy has breast cancer. A relatable and educational story for all kids of pink cape rocking mamas **My Mommy Has Cancer** Jennifer Haradon Dichter, 2011 **The Sisters** Rosalind Noonan, 2018-11-27 A daughter secretly infiltrates an Oregon cult to save her mother in this harrowing tale from the author of *Domestic Secrets*. Publishers Weekly Twelve years ago Glory abandoned her two daughters four-year-old Ruby and baby Aurora at a fire station running off to a man who promised love and protection. Though the refuge she hoped for turned out to be a sham, she believes Ruby and Aurora are better off without her. But Glory has since given birth to another daughter who's clamoring for a life beyond their close-knit, tightly controlled world. Sixteen-year-old Ruby loves her adoptive parents but she hasn't forgotten Glory. Now that she has her driver's license Ruby sets out in search of her birth mother. What she finds is a ramshackle house of castaway women referred to as sisters ruled over by a charismatic bully who monitors their every move. Glory would take ten-year-old Luna away in a heartbeat if they had somewhere to go. On good days the girl is confined to the fenced-in yard; on bad days she's sent to the dusty attic as punishment. When Ruby makes contact Glory seizes on a chance for escape. Ruby is desperate to help but how much does she owe to family she barely knows and how can she fix someone else's life when she has so little power over her own? Praise for *The Sisters* Thanks to its twisted plot and courageous characters Noonan's portrait of the love between a mother and daughter is irresistible. Publishers Weekly Noonan's complex novel grips the reader with fully textured characters and page-turning suspense. A heart-wrenching book you won't soon forget. *New York Journal of Books* [Breaking the Silence](#) Linda Goldman, 2014-06-11 The second edition of this bestselling book is designed for mental health professionals, educators, and the parent caregiver; this book provides specific ideas and techniques to work with children in various areas of complicated grief. It presents words and methods to help initiate discussions of these delicate topics as well as tools to help children understand and separate complicated grief into parts. These parts in turn can be grieved for and released one at a time. A new chapter is included called *Communities Grieve: Involvement with Children and Trauma*. It includes information on The Taiwan Earthquake and how the community worked with children; a school bus accident in which 36 elementary school children witnessed the death of the bus driver that was driving and how the school system worked with these children and their families; a boy who was running on a cross-country team and got hit by a car which was witnessed by teammates and how a non-profit community grief agency worked with family, school, and community. The last study is from the Oklahoma bombing and the outgrowth of a place for the traumatized children and how they still

work with kids and family today This chapter then contains new activities to work with traumatized grieving children The new edition also includes updated resources books curriculums websites hotlines and another new chapter on bullying and victimization issues The chapter for educators has been expanded including the coverage of topics such as at risk students gay and lesbian issues and self injurious behaviors *The Better Part of Me* J.P.
