include discrimination based on sexual orientation and gender identity Despite these landmark achievements in the public sector LGBTQ Catholics still cannot receive communion and must always seek reconciliation Their flourishing as part of their religious community is always frustrated Brenkert s account of his life before in and after the Jesuits is interwoven with trials and tribulations but remains always full of hope written candidly and with bracing honesty Brenkert offers readers the opportunity to join him on a theological and spiritual pilgrimage one that ends with readers making a discernment The world today is full of distraction misinformation and timidity Brenkert s pilgrimage is full of conviction heartfelt written with an eagerness to help people of faith and no faith at all find their true selves all for the greater glory of God **I Was A**
