Talton, 2015-07-15 An intimate look into the life and acquaintances of Gertie Mae Talton this book chronicles the events that shaped the environment which is ever changing *Armageddon Notes* is a side by side introspective of Biblical anecdotes that will encompass Bible doctrine as it relates to the lives of the family of Dewitt Griffin Talton school activities personnel both high school and college personages of teachers and students and church related happenings of writings and people around which many of the writings are centered The prolific writings of 1982 entail many soul searching details which show a definitive change in the affairs of the life and times of Gertie Mae Talton *Deep Breath* Rita Halász, 2025-05-27 A visceral and stirring novel exploring free will memory faith and constructions of reality and the self following a woman faced with the question of whether her marriage is abusive and the life altering decision of ending it When we meet Vera her body and mind are on a precipice She s just left her marital home to live with her father after her husband s violent outbursts reach a breaking point She s experiencing sudden losses of consciousness spells of insomnia and difficulty eating Over the course of the year that follows she reignites a high school romance looks to her divorced parents for guidance attempts couples therapy struggles to mother two young daughters develops a brief cocaine dependency and tries to rekindle her artistic practice all while questioning in Hal sz s immediate intimate prose the infinite number of choices that led her to this difficult moment Towards the end of the novel we follow Vera into a surreal funhouse mirror of a courtroom scene equally comical and horrifying where she must confront the many conflicting narratives of her marriage and separation and decide which one rings true With the emotional precision and formal elegance reminiscent of Natalia Ginzburg and Elena Ferrante Hal sz offers a meditation on agency subjectivity motherhood and the artistic vocation with an ultimately optimistic conclusion life

consists of forward movement in which the biggest challenge and privilege is choice Hal sz s terse and unsparing syntax mirrors her protagonist s disorientation splicing together different conversations and memories in the span of a paragraph sometimes even a single sentence It s a testament to both Hal sz s and Herbert s narrative talents that even when Vera s mind tips over a precipice the reader is still able to parse her spiraling consciousness Remarkable Jane Hu The New York Times Book Review
