Subcommittee on Insurance, Housing, and Community Opportunity,2012 **Standing Strong** Violet Simpson,2020-06-30 Starting out in life I never enjoyed my teenage years because I was suffering from a mental sickness got married and had three children We were very poor but happy I came to America looking for a better life for the children and all hell broke loose My ex husband started living a life I never thought of I came to America illegally and had to run from immigration It was heartrending what I went through after getting my legal papers receiving my permanent resident card and finally getting the children into the United States I was homeless with three children I was abused physically mentally and emotionally I had to run away It was the most terrifying time of my life on the road and I had nowhere to go As a parent you try to stir your child in the right direction Unfortunately one of my son turned to the wrong path and there was endless troubles I couldn t be there for them because I had to work two jobs I started to save what I could to buy a house in the United States and way after I built my house in Jamaica so I could migrate when it was cold in America I later got married with another man but that went downhill I got sick with my right foot and it was difficult to walk My huge mansion in Jamaica was finally finished and I started to enjoy the warm visits from my lovely family Then misery hit All of a sudden a neighbor I used to be more than a mother to became envious of me and decided to block the road that I had dug out ten years prior with his building That was the only way to my house I decided to take the case to court and ended up with a lawyer that was a crook and didn t do anything for the case The lawyer was presented with all the information needed to win the case Six years later I was still dealing with skeptical lawyers Other lawyers were dumbfounded as to why the judge ruled in his favor to own the road I have a new lawyer working on the case now and I ve received my registered title to say I own the road Today the trial has not ended but trials are there to make us strong There is nothing that I ve been in where my Lord and Savior have never gotten me out of Just trust in God He will make a way May God bless you all **Back in the Burbs** Avery Flynn,Tracy Wolff,2021-03-30 Two powerhouse authors bring you a hilarious tale of one woman s journey to find herself again Ever have one of those days where life just plain sucks Welcome to my last three months ever since I caught my can t be soon enough ex husband cheating with his paralegal I m thirty five years old and I ve lost my NYC apartment my job my money and frankly
