True Gospel Revealed anew by Jesus Vol I James E. Padgett, 2014-06-26 This is the first of four volumes of messages received by James Padgett The first edition was published in 1941 and contains the most significant of the spiritual concepts that he learned from Jesus and his disciples Included in these concepts are The true mission of Jesus the structure of the Heavens immortality who and what is God the Holy Spirit the Resurrection Forgiveness and the Vicarious Atonement This is an amazingly coherent yet very simple set of teachings cover every question one might have Yet these are sadly not the teachings that the churches currently teach even though one can

see where in the New Testament support lies for what Padgett received This edition has dates added and a great many useful footnotes It also has a message from James and Helen Padgett received in 2014 giving a great many personal details that were not previously known *The Voice of truth; or, Strict baptists' magazine* ,1867 The Holy Bible, Containing the Old

and New Testaments (according to the Present Authorized Version) with Critical, Explanatory, and Practical Notes Joseph Benson,1846 An Exposition of the New Testament ,1757 **The Fathers Words The Light to Our Path**

DaEUR(tm)Edra FrugA(c),2024-02-12 The Father s Words The Light to Our Path reminds how life is a journey filled with joy sorrow and unforeseen circumstances Learning how to navigate through each one is a journey in itself Each personal story tells how easy it is to misinterpret the events in life and how that leads to inaccurate perceptions Though many events in our pasts are good many find us over our heads in uncharted waters scrambling to come out on the other side However we come to learn if we allow those experiences to guide our thoughts we remain victims who are perpetually trapped by the walls we construct for safety confused by what we think defines us or constantly searching for purpose There is a place God s Word where we learn that He is our Father our Creator who continually oversees His creation counsels us with His eye on us and faithfully guides to redeem us to Himself through His Son Jesus Every verse presented in these pages tells how God as the Father uses His words to align His children s perspectives thoughts and hearts to His Discover for yourself how He proves by His words that He can be known and trusted Allow them to be the light to your path to direct and conform you more into the likeness of His Son as you journey through life **An Exposition of the Old and New Testament** Matthew Henry,1856

An Exposition of the Old and New Testaments Matthew Henry,1833 New-Church Messenger ,1914 *The Works of President Edwards* Jonathan Edwards,1817 *The Works of President Edwards. Edited by E. Williams and E. Parsons. With Memoirs of His Life by S. Hopkins* Jonathan Edwards,1817 **Every Day with God (eBook)** Andrew Murray,2011-07-08

EVERY DAY WITH GOD will help readers spend time in fellowship with God The precious moments spent reading will bring a blessing and equip them for service in God s kingdom in soul winning and intercession Andrew Murray teaches readers that as they daily sink their roots deeper into Christ and make personal fellowship with God their main priority true godliness will flourish It is his prayer that God may bless this book to His children who are in the pursuit of the deeper and more fruitful life the life hid with Christ in God From the Scriptures Andrew Murray shows readers how they can See the power of God s grace Unlock the real meaning of God s Word Intercede effectively for others Enjoy God s presence continually Be led by the Holy Spirit **The Slumber of Christianity** Ted Dekker,2005-07-03 As believers our walk with God is motivated by hope not the bland vague notion most people have but the expectation of an exotic pleasurable inheritance that guides us and fires our passion or at least should Ted Dekker has written an expos on the death of pleasure within the Church Because many of us have set aside hope and the inspired imagination that drives it Dekker says we have been lulled into a slumber of boredom even despondency Our faith wanes the joy at having been liberated fades and we feel powerless The Slumber of Christianity

explores what robs us of happiness and how we can rediscover it and live lives that rekindle hope The pursuit of pleasure is a gift to all humans a function of the Creator himself who is bent upon our happiness It s time for Christians to reclaim our inheritance of pleasure The Slumber of Christianity will inflame hearts toward full fledged mind expanding encounters with hope through the imagination *The Christian Evangelist* ,1904 *Journal of Education* ,1920 The Gospel magazine.
